Bethel School Is Scene Of Banquet

The Junior-Senior banquet held Fri-day night, April 3, in the Bethel high school gymnasium, marked the begin-ning of the commencement exercises at Bethe! High School."

Ninety-five people, including Mr. and Mrs. Jack Messer, Mr. John D. Cathey, and several of the parents, were present.

The more important features of the program were talks by Jack Messer and C. C. Hanson.

Mr. Messer discussed the debt that the present generation of school chil-dren owe to antiquity for all the present conveniences, and the great obligation that they have to pass these conveniences, together with many improvements, on to posterity. He concluded with an admonition for the students to make a plan for their lives, and follow it as closely as possible

Mr. Hanson recapitulated the seven cardinal aims of education, health, fundamental processes, home membership, vocation, citizenship, leisure, and character. He urged these as the goals toward which every high school student ought to work.

The other people appearing on the program were Shirley Boyd, Marie Powell, Winifred Rigdon, Mary Hardin, Betty Cathey, Mary Phillips, Joe Moore, Mrs. Ruth Tucker, Miss Pau-line Sentelle, Miss Mary Davis, Mr. 1. A. McLain, and J. D. Freeman. Robert Welch was the toastmaster, ERNEST MESSER.

Lady's Painful Trouble Helped By Cardui

Why do so many women take Car-dui for the relief of functional pains at monthly times? The answer is that they want results such as Mrs. Herbert W. Hunt, of Hallsville, Texas, describes. She writes: "My health wasn't good. I suffered from cramp-ing. My pain would be so intense it would nauseate me. I would just drag around, so sluggish and 'do-less." My mother de-cided to give me Cardul. I began to mend. That tirrd, sluggish feeling was gone and the pains disappeared. I can't praise Car-dui too highly because I know it helped me.".....
