"We have used Black-Draught for 21 years and have found it a very useful medicine that every family ought to have in their home," writes Mrs. Perry Hicks, of Belton, Texas. Ford Motor Has A New Used Car Plan For Dealers

The trade-mark R. & G. stands for Renewed and Guaranteed—meaning that used cars sold by authorized Ford dealers under this trade mark have met a rigid set of specifications as to their mechanical condition as well as appearance. Backing these specifications and for further assurance of the quality of R. & G. cars is a written guarantee of "Satisfaction or Your Money Back" which is given to the buyer by the dealer. It reads in part as follows:

"We agree to correct at our expense any condition in this car or truck which is not in accordance with above specifications, provided that we are notified by the purchaser of this condition within ten days from this date, and further provided that such condition is not the result of accident, neglect, or abuse of the car or truck after delivery to the customer, and that the car or truck has not been repaired or altered outside of our shop during the guarantee period."

"We further agree that we will refund such part of the purchase price of the car or truck as has been paid by the purchaser, including any used car or truck applied as part payment or, at our option, the allowance price thereof in cash, thereby cancelling the sale if the purchaser so requests; provided that this request is made by purchaser at or before 5 o'clock on 19—, and the car or truck is then returned to us in the same condition as when delivered." (Signed Ford Dealer.)

Mr. M. C. Green, local Ford representative, comments on this new plan by stating, "R. & G. does not mean that cars sold under this emblem will cost more than ordinary 'used cars,'—it does mean the mark of an exclusive value. It is the buyers personal guarantee of complete satisfaction in the purchase of an automobile backed by the pledge of the Ford dealer from whom he buys it."
