

Time and Its Mysteries Described by Scientist

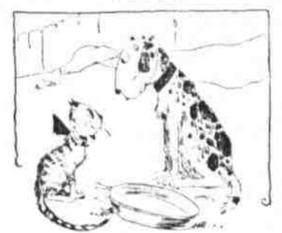

In the earliest days of civilization in Babylonia some of the priest-scribes who kept watch of the sun and stars evidently noticed either that the stars repeat themselves after about 365 days or that many of the heavenly bodies come back to similar positions in the sky after about this same time.

A Few Little Smiles

She was a very beautiful young daughter with a head of blonde curls that people are forever complimenting. Naturally, the mother has become a little self-conscious regarding her child's locks.

NO BON-US

Cat—Why are you going to get an other home? Dog—Cause the people I live with are vegetarians, that's why.

A Real Feed

Johnny, age six, had been the guest of honor at a party the day before and one of his little friends was regarding him enviously.

Elusive Candor

"Remember," said the pompous attorney, "that you are expected to tell nothing but the truth."

A Good Imagination

Schoolmaster—Now, Willie, if the earth's axis is an imaginary line, can you hang clothes on it?

His Specialty

"Why did you break your engagement with Tom?" "He deceived me. He told me he was a liver and kidney specialist, and I found out that he only worked in a butcher shop."

Arbitrary Settlement

Chief Accountant—There's \$2 missing from the cash drawer and no one but you and I have a key to it.

SO WHAT

"It's a long lane that has no turning." "Squared another grudge against somebody, eh?"

Signs Never Help

Man (to neighbor painting his fence)—Are you going to put a "Wet Paint" sign on your fence?

Pals

Patty said: "Let's be pals." He answered O. K., she said: "Regular now about dumping out the cod fish to paky walsey?"—Indianapolis

Domestic Success

"My daughter is taking a domestic science." "How is she making out?" "All right, in infer. She she just made the scrub."

GOES TO G

Miss Belle B. Jennie Bright, gram given and voice and music. How did you happen to Western Carolina? Oh, I always was at church of Cullow.

Napoleon Adopted Bees as Symbol of Activity

The bees, as the symbol of Napoleon's dynasty, are said to have had their origin in the following manner, according to a writer in the Washington Star.

Dripwork Clock

Clocks as we know them are not much more than eight hundred years old, but the hour-glass, time measured by the slow and regular passage of the sand from one bulb to another, is much older, and there is a clock modeled upon one used by the Egyptians at least a thousand years B. C.

Underground Schools

Unlike Britain, where schools are built so as to admit as much fresh air and sunlight as possible, the Lapps burrow under the earth. Only the hatch or tiled roofs of their schools can be seen. The rest is all cellar.

The Original General Sherman

It was Chaucery Dewey, himself a noted after-dinner speaker, who said that General Sherman of Civil War fame, was "the readiest and most original talker of his time."

Fathers at Grant's Inauguration

When General Grant was sworn in as President of the United States the first time his father and his wife's father were both present, says the Washington Post.

Rag Man Uses Everything

There is nothing for which the rag merchant cannot find a use, says Tit-Bits Magazine. Old felt hats are transformed under his magical impulses into new hats.

Keep a Good Laxative always in your home

Among the necessities of home is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't neglect it when you feel any of its disagreeable symptoms coming on. "We have used Black-Draught for 31 years and have found it a very useful medicine that every family ought to have in their home," writes Mrs. Perry Hicks, of Belton, Texas. "I take Black-Draught for biliousness, constipation and other ills where a good laxative or purgative is needed. I have always found Black-Draught gives good results."
