

The World Series, between the Chicago Cubs and the New York Yankees, was short and sweet this year, with the Yankees taking four straight games from the Cubs.

The Yankees did not fool around with the Cubs in either of the four games, which makes them the champions of all champions in world series. This is the first time in the history of the series that a team has won the title three times in a row, which makes them more than a series winner, but a champion winner.

The Yankee catcher, Bill Dickey, made the statement that he was going home and get the old bird dog and the shot gun and spend some time in the fields hunting quail. That is a good idea, and if he is as good with the gun as he is behind the bat, we pity the little feathered creatures.

With the series over the nation will become football minded and attendance at football games will undoubtedly increase. The attendance at several of the games played this past week were not so small, as over 30,000 witnessed the Fighting Irish take the trimmings off of the Rambling Wrecks from Georgia Tech; about 24,000 attending the game between the Duke Blue Devils and Colgate in Rochester.

This past week's college games were some of the closest in the history of football. Duke won their game by a 7 to 0 score, with the last few minutes of the game were entirely in the favor of the Colgate eleven, as they started to march in the air down to the very shadow of Duke's goal posts. Here is where the Blue Devils really strutted their stuff when they held the Yankees from Colgate from scoring.

Another close affair was between Columbia and the Cadets of the West Point. Here Columbia managed to take the Army by a 20 to 18 score. Wake Forest managed to nose out South Carolina, 20 to 19, while the Tulane eleven took the Tar Heels at Chapel Hill 17 to 14 in an upset.

Back to the local side of the football picture, the Mountaineers seemed to be at a loss as to what to do without their star fullback, Bill Milner. He was missed, both on the offense and defense. The Greenies' offense could not be stopped.

The coming game of the week here next Friday is the first of a two-game series for the county championship, this is the game that has long

# Crippled Mountaineer Team Faces Unbeaten Black Bears Here Friday

## Christ School Too Much For Crippled Mountaineer Team

Quarterback Croom, For Greenies, Had Too Much Power And Speed; Score 13-0

The Green Wave from Christ School smothered the Mountaineers and their new jerseys of orange and black all over the local athletic field here last Friday, as a small crowd looked on.

The Greenies from Arden put 13 points in the bag and went back home, while the Weatherby and Ratcliff boys were left holding a big goose egg, and longed for the early return of their plunging fullback—Bill Milner, who was out doctoring an infected foot.

The visitors brought with them a flashy quarterback in Croom, who was all over the field, and who tallied all the points of the day.

It was Croom who led the march in the first period from his 20-yard to the goal. Early in the last quarter, this same pig-skin totter shot around his right end for 65 yards and another six points.

Early in the third period, the Mountaineers mustered up strength to threaten a score, but when they reached the eleven-yard line, the Greenies set up a concrete wall and put up a "no-crossing" sign and held for downs.

The Mountaineers put Knight in as a backfielder, instead of guard, on the hopes of getting places, but other than gaining a yard or two, he served as a blocker, and showed fairly well in the place.

The Waynesville line just could not stand up under the terrific pounding and hammering of the powerful Greenies, and on several occasions, the second team was sent in while the regulars tried to regain their pace.

been looked forward to by all Haywood grid fans.

The Canton Black Bears will be on hand with an undefeated team, while the Mountaineers have won two and lost two, but this cannot be considered much margin, as no matter what the previous scores of the season have been, these two teams put everything they have into the game when they meet.

The betting odds vary, but Canton is given the edge over the locals.

## Black Bears Take Forest City Down In Nightcap Fray

The Canton Black Bears, trounced the team from Forest City in a nightcap game on Canton's field last Friday, with the Black Bears scoring at random against last year's Western Conference title holders. The usual large crowd was on hand, despite the fact that the weather was a little chilly.

The most spectacular play of the game came when Hamlett, substitute halfback for the Black Bears, with only a few seconds to go in the last period—intercepted a pass and galloped 56 yard before he was overtaken, just short of a tally. The final whistle blew before the score could be completed.

This Friday the Black Bears leave home the first time this season. The Canton team will be on hand at Township Stadium here in Waynesville to take the Waynesville Mountaineers in a county classic game, as well as a Blue Ridge Conference tilt.

The Black Bears have won all the games played so far, and the game Friday night saw a string of substitutes that put up as good show against the opposition as the regulars. This fact was very encouraging to the coaches of the Canton team, as they are trying to get material in shape for next year's team, as most of the regulars graduate.

## W. C. T. C. FACES MARS HILL LIONS SATURDAY

(Special to The Mountaineer.)

Hard drills have been held at Mars Hill college this week as the Lions prepare for their game on Saturday with W. C. T. C. at Mars Hills. This game will be the feature of the annual Founders day program.

W. C. T. C. will have a good team to take the field for this week's game. In their first game they defeated Breward by three touchdowns and their second game was against Emory and Henry, it ending in a scoreless tie. Last week Lenoir Rhyne handed W. C. T. C. a defeat but the result of the game might have been different had the five first stringers who were on the injured list been able to play.

On last Saturday the Lions defeated a much heavier and more experienced Wingate eleven, 6 to 0.

The quicker death is the gallows. It is a fraction of a second quicker than the electric chair.

## Weatherby Shifts Backfield Seeking More Power, Punch

Black Bears Bringing Large Delegation Of Ardent Supporters With Them

## LOCALS ARE UNDERDOGS

Waynesville Basing Hopes On Return Of Fullback Milner, And Line-Up Shift

Coach Weatherby's face was as long as this page yesterday as he disclosed that two of his most dependable players would be battling flu and injuries Friday instead of the Canton Black Bears, in the first annual two-game gridiron mix-ups between Waynesville and Canton.

The game will get underway here Friday; with the kick-off at 3:30.

News from Canton yesterday showed that a large delegation from the Industrial City would follow the unbeaten Black Bears into the Mountaineer den. Canton's enthusiasm for their team all keyed up, and "ready to go."

Waynesville fans, realizing that the Mountaineers are going into the game as the underdogs, are basing their hopes on the new plays and the shifted backfield, and the return of "Hem Hard" Milner, fullback, who will give the Weatherby boys more power, and deceptive plays that should be baffling to the Poindexter winners.

Canton came out of the Forest City game, not only the victors, but in fine condition, and a hard week of practice has them all ready for the game; while Waynesville was losing to Christ School, by a 13-0 score and also lost the services of Reeves, with an injured shoulder. Phillips is also with flu. The hopeful return of Fullback Milner will put more confidence into the Mountaineer team, besides showing the heavy duty on the plunging back's shoulders.

The probable line-up:

Pos. ....Waynesville	Canton
LE.....Messer	Owen
LT.....Hancock	Powers
LG.....Collins	Cooper
C.....Taylor	Clark
RG.....R. McCracken	Jacob
RT.....Stringfield	Swafford
RE.....Leatherwood	Grady
QB.....Shook	Price
LH.....J. Milner	Sam
RH.....Knight	Schenck
PB.....B. Milner	Flynn

Canton's line has an 8-pound advantage; while the backs of the teams are about the same.
