

ELABORATE PLANS BEING MADE FOR HOLIDAY SEASON

(Continued from front page)

Commerce, presided at the meeting. The streets will be decorated with evergreen and hundreds of colored lights this week-end and the early part of next. The merchants will have their Christmas goods on display, and their windows and stores decorated by the first of December.

Christmas music will be played over a public loud speaking system at noon and late afternoon. Plans are also underway for a community sing to be held on the Sunday before Christmas. J. Dale Stentz is in charge of this phase of the program.

A committee was named to meet Santa at the train at 10:33 on Saturday, December third, and to escort him over the community before going to his igloo where he will give out bags of candy and other goodies to all children.

Jack Messer, county superintendent of education, announced yesterday that he and Santa had about completed a schedule for the fat old man from the North Pole to personally visit every school in the county, and talk to the children. It is not likely that Santa will carry candy to the schools with him, because the children would eat it before recess, but when Santa talked over long distance to The Mountaineer last night, he promised to give each child in the schools a card which he will exchange at his igloo later for a bag of candy.

At his igloo, he will have a large mail box to receive letters from all children.

Santa's voice sounded like he was tired, and when this reporter asked if he was, he replied: "Yes, a little. You see I have been working hard all year, in order that I could get away from here early and spend a short vacation in Waynesville before my hard night's work on Christmas Eve. But you tell all the children that I'm loaded down with toys for those who have been good, and want all of them to be patient, and come to see me in Waynesville, on Saturday, December third."

Music Club To Present Asheville Civic Orchestra

Music lovers will be interested in the announcement by the Waynesville Music Clubs that they are planning to sponsor a concert by the Asheville Civic Orchestra sometime the first week in December.

The orchestra, which is a Federal project, is directed by Joseph De Nardo, well known musician of Asheville. The orchestra contains from 35 to 40 pieces. Since the organization of the group it has gained much recognition in state music circles.

Deaths

NATHAN PHILLIPS

Last rites were held on Monday morning at 11 o'clock at the Barberville Baptist church for Nathan Phillips, 58, who died at his home on Saturday night at 7:30 o'clock, following an illness of three months. The Rev. Frank Leatherwood, the Rev. O. C. Landrum and the Rev. Alfred Arrington, officiated. Burial was in Green Hill cemetery.

Serving as pallbearers were: Z. V. Price, Rufus Leming, John Wright, J. R. Marcus, Charlie Davis, and the Rev. O. C. Landrum.

Mr. Phillips was a native of Madison county, but moved with his parents, at an early age, to this section, where he has since resided. He had been a carpenter for several years.

He was first married to Miss Etta Carson who lived only a few years, and was later married to Miss Cora McDarius, of Stockville.

Surviving are his widow; one son, Roy Phillips, by his first marriage; five sons by his second marriage, Lloyd, Guy, Arthur, Winifred, and Sidney, all of Waynesville, and four daughters Mrs. Tom Hoyle, of Hazelwood Mrs. Fred Marcus, Lillian and Catherine Phillips, all of Waynesville.

GROUPS BEING FORMED TO STUDY TAX PROBLEMS

Mrs. William Hannah, who has been appointed state director of the National Consumers Tax Commission by Mrs. Rufus L. Allen, national committee woman, of the National group for North Carolina, is perfecting her organization throughout the state.

Study groups are being formed in the towns and cities for the purpose of informing people regarding taxes. Mrs. Hannah will begin traveling over the state the first of the year.

THE BETHEL 4-H CLUB HOLDS NOV. MEETING

The Bethel 4-H club held its regular monthly meeting on Thursday, with Miss Mary Margaret Smith, home demonstration agent, and John Rietzel, assistant county agent, conferring with the group.

The purpose of the meeting was to familiarize the members with the parliamentary procedures, the constitution of the 4-H club, and the rating of the organization.

The month of November is the date set for the completion of projects and record books. The club is trying to have this work completed by each member by the end of the allotted time.

New License Tags Ready For Sale

The 1939 license plates are ready to go on sale here at the Chamber of Commerce office December first, according to J. Dale Stentz, secretary. The new tags may be put on at once. The law requires that all motor vehicles have new tags before January first.

It was pointed out that all transfers must be made within 15 days, or a penalty of \$2 will be added to the cost of the tags.

The 1938 tag sales set a new mark, with almost 600,000 being disposed of through offices of the Carolina Motor Club.

More Second-Crop Apples Brought In

J. B. Davis, of Fines Creek, added to the growing crop of second-crop apples at The Mountaineer office this week. The apples, of almost normal size, were gathered from a 55-year-old tree, which has only missed bearing in two years, Mr. Davis said.

Mrs. Alley Returns From Tour Of State

President Of N. C. Congress P. T. A. Visits Ten Districts In State

Mrs. Doyle D. Alley, state president of the North Carolina Congress of Parents and Teachers, has just returned from attending ten district conferences held over the state. Mrs. Alley reports splendid work being done and notes at this date a substantial increase in membership over that of last year.

Mrs. Alley spoke in district meetings on "The Parent Teacher Movement in Action." The ten conferences were held in Shelby, Charlotte, Swannona, Albemarle, Tabor City, New Bern, Buies Creek, Elizabeth City, Rocky Mount and Burlington. Mrs. Alley also spent sometime in Raleigh, while making the tour of the state.

Bronchial Coughs Need Creomulsion

Just a common cough, a chest cold, or a bronchial irritation of today may lead to serious trouble tomorrow. They may be relieved now with Creomulsion, an emulsified Creosote that is pleasant to take. Creomulsion is a medicinal combination designed to aid nature in soothing and healing infected mucous membranes by allaying irritation and inflammation and by aiding in loosening and expelling germ-laden phlegm. The Medical Profession has for generations recognized the beneficial effect of Beechwood Creosote in the treatment of coughs, chest colds, and bronchial irritations. A special process was worked out by a chemist, for blending Creosote with other ingredients so that now in Creomulsion you get a good dose of genuine Beechwood Creosote which is palatable and may be taken frequently by both adults and children. Creomulsion is one preparation that goes to the very seat of the trouble to help loosen and expel germ-laden phlegm. When coughs, chest colds and bronchial troubles—due to common colds—hang on, get a bottle of Creomulsion from your druggist, use it as directed and if you are not satisfied with the relief obtained, the druggist is authorized to refund your money. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)
