The three legume crops produced in North Carolina—soybeans, cowpeas and peanuts—contribute nearly 60 per cent of the state's total tame hay production, reports the N. C. Department of Agriculture.

About 879,800 acres of soil improving crops were plowed under for soil improving purposes in North Carolina last year, reports the State Department of Agriculture.

Facts To Remember

We pay highest prices for old gold, watch cases and discarded jewelry.
 If your watch does not keep time, it is worthless to you. Let us put it in first class condition for you. We clean your case too.
 We use genuine materials only.
 All work Guaranteed.
