were outclawed 13-6. Although the home team seemed to be trying hard enough they couldn't get anywhere against the hard driving Wildcats.

R. Parker, quarter-back for An drews, was the spark-plug of the Andrews offense. Carrying the ball almost every time, he accounted for most of the yardage chalked up for Andrews.

Henry trying time and time again to carry the ball over the line couldn't seem to hit his stride before he was downed by an Andrews player. After fighting for each yard Henry finally got loose in the third quarter to make the only tally the locals chalked up.

The Wildcats scored once in the second quarter and again in the fourth quarter.
