## Mountaineers Gallop Over Marion, 34-12

Henry Ran Through Marion Line For 80 Yard Touch-down; Mountaineers Hard Driving Won.

The Waynesville Mountaineers ran rough shod over the visiting Marion eleven last Friday night by a score of 34 to 12 before approximately one thousand enthusiastic fans.

Up until the first half it looked as if the visitors would give the mountaineers a hard run for their money although the locals crossed pay dirt first.

The first period was more or less a punting duel between the two teams with neither team threatening, but early in the second quarter the Mountaineers put on an additional spurt of power and drove 74 yards for their first tally with Inman carrying the mail from the sixty yard line. Wyatt plunged over center for the extra point.

Marion came back in the same period and started their drive from midfield with the drive ending after a pass from B. Harris to Ayers was good for the remaining eleven yards and a score. The attempted kick for the point was wide and the score was 7 to 6 and remained that way until the half ended.

Coming back in the third period it looked as if Marion was on the march after carrying the ball down to the locals 20 where the forward wall of the Mountaineers dug in and the ball went over. On the next play running from punt formation, Henry galloped through the whole Marion squad for eighty yards and the second score of the game. The try for the extra point was stopped short of the goal line.

Oliver Yount was the mainstay in instrumenting the next score of the locals when he galloped on a spinner play 32 yards to the four and after one play also carried the ball into the endzone for the score. A pass from Wyatt to Henry was good for the additional one point.

The Mountaineers were again on the march at the end of the third period, and in the first minutes of the last quarter, Henry weaved his way across from the 26. Wyatt drop kicked the extra point.

Another score was made by the locals after marching from midfield with Yount going over from the one yard line. Fisher con-

### Yankees To Get \$5,917.31 Each

Dodgers Share Breaks Record For Losing Club.

The world series which ended Monday was worth \$5,917.31 to each member of the victorious New York Yankees and \$4,808.00 to the reg-

verted the point on an end run. Marion then took to the air and without once running a line play they scored by a pass to Walker for the last tally of the evening. An attempted kick failed to go between the uprights, and the game ended with the locals getting revenge over having dropped their game the week before to Andrews.

The Waynesville Township High School band added their part to the victory by giving demonstrations both before the game and at the half in marching and formations. They also added their part during the game by playing marches and other popular tunes.

Some credit should be given to Stroud, left end for the visitors who played a grand ball game, it was very seldom that a reverse by the locals gained much ground when coming his way:

**POD**—A sporty name for a "fish-pole" costing over \$5.00. Pods are sold by weight—the lighter the rod, the heavier the price. Like knights of old, who splintered their lances, fishermen strive to have a fish break their rod—an event of great distinction.

**SINKER**—A weight that keeps your hooks and bait on the bottom—for good. Sponsored by fishing tackle companies as a tackle sales booster. ONE OF THE WORLD'S SEVEN RAREST SIGHTS: To see a sinker again after casting into a brushy lake or the rocky bed of a river.

**Drama on the Sidewalks**  
We think of wildlife drama, the apprehension of game law violators, etc., as strictly an outdoor proposition. But some of our most important cases having to do with fish and game law violations have come to a head on crowded streets, in skyscrapers, and in dark alleys.

Chicago's duck bootleggers laughed at the Federal game agents who were on their trail. For a year they had been buying and selling wildfowl without a mishap.

The bootleggers were smart. They got a stooga, an old water-front derelict who didn't know what was in the package he carried from one illegal dealer to the other.

One night four bootleggers met in a dark alley. A large package and green bills changed hands. "Thanks, Dopey," one of the men whispered. "You know where to get the next one tomorrow night. Here's a buck for your trouble."

And Dopey shuffled off—with his marked dollar bill. Two minutes later Federal agents swooped down on the cluster of duck bootleggers, and the next day the leaders and members of the Chicago ring were in Federal Court. The principal witness was Dopey, the waterfront bum. But Dopey was sober and well dressed, for the erstwhile downstrodden bum was John Perry, U. S. Game Management Agent of the Fish and Wildlife Service, U. S. Department of the Interior.

Baas bite best in the full of the moon, fishing experts tell us.

**War and the Fisherman**  
Wars, even small ones like the Spanish war, affects us in more ways than we might think. For instance, it had a direct effect on fishermen. Since most of the silk-worm gut used for leaders comes from Spain and very little of it was produced during the war, an acute shortage resulted. This shortage brought about the appearance of nylon. It is supposed to be stronger than gut and, you don't have to soak it before tying.

### The Bomber's Ready

World's heavyweight champion Joe Louis gets accustomed to carrying a rifle at his training quarters in Greenwood Lake, N. Y., after receiving word that he has been classed as I-A by his draft board. He is expected to be called for military training soon after his bout with Lou Nova.

### Nova-Conn Match In The Making

If present negotiations with Promoter Mike Jacobs materialize, Billy Conn, heavyweight contender, and Lou Nova, who was belted out in the sixth round of his scheduled 15-rounder with Champion Joe Louis, will meet in Madison Square Garden in January it was indicated recently. Jacobs has conferred with the managers of both fighters.

If we must waste time, waste your own, do not waste the man's you work for.

### Game Here Friday Night Will Be A Conference Tilt

Sylva Has Defeated Marion Hill and Brevard; Weather by Makes Changes In Line-Up.

The Waynesville Mountaineers will have a chance Friday night to prove that they really know to play football when they meet the strong Sylva high football team at 7:30 on the home field in other Blue Ridge Conference game.

The Sylva high team has been defeated in the conference this season and fresh from victories over Mars Hill and Wards, both of which were conference games, is expected to give locals some keen competition Friday night.

The Sylva team was not affected very much by graduation as still has most of her old letter back on the team this year. The locals have lost only one conference game this season after their easy 34 to 12 victory over the strong Marion high last Friday night should be in frame of mind to give Sylva the win.

Coach Weatherly has made several big improvements in the up and has ironed out quite a few of the boys' weaknesses since game Friday night.

The probable starting line-up Friday night is as follows: Ends, Francis and Jaynes. Tackles, McRorie, Compton, Clark.

Guards, Albright, Evans or stance. Center, Arrington. Quarterback, Henry. Left Half, Yount. Right Half, Inman. Full back Fisher or Wyatt.

The Waynesville high band play as usual its part in the game. Mr. New says the band will be onto the field at the half and through a number of drills, including a bursting skyrocket, then from this formation they will play two platoons with the files of platoon marching through the field of the second after which they do several right and left movements. For the end of "Squeaky" Garrett by special request will repeat his snare drum novelty number which he did Friday night.

Four of the eleven bear hunts on Pisgah, N. C., and U. S. Co-operative Wildlife Management Area, will be staged in Sherwood Forest.

The first hunt in Sherwood is a two-day event on October 29-30. The second on November 7-8, the third on the 14-15 and the last on 24-25.

Alternate hunt will be staged November 26 to 29 in the event weather causes either of scheduled hunts to be postponed.

Applications should be made to the N. C. Division of Game and Inland Fisheries, 307 City Hall, Asheville.

Each successful applicant can take 24 people and not more than 10 dogs. Each person participating in the hunt may kill one bear. No other wildlife may be killed or molested. The hunters will confine their hunting to daylight hours of the two days.

C. N. Messer, chief refuge supervisor, stated that more applications were expected than could be honored, so a public drawing will be conducted to determine the successful hunters for the eleven hunts.

Besides the four hunts in Sherwood, four will be staged in the Daniel Boone preserve and three on the Mt. Mitchell area. All will be under the supervision of the N. C. game laws and co-operative wildlife management areas rules.

### Louis Hopes To Box Conn In June

Heavyweight Champion Joe Louis, who is scheduled to be inducted in the army within a few weeks, recently expressed the hope that he will be matched with Billy Conn next June.

The Brown Bomber declared: "If they sign me up to fight Billy Conn in June I'm all for it, but I'll want a warm-up fight in between somewhere. No, I don't care who it's with. Abe Simon's the toughest I fought. Yeah, tougher than Nova or Conn, but you gotta use ranking and ratings and records to say who's top challenger."

Promoter Mike Jacobs, who took in a gross gate of \$583,821 at the fight between Louis and Nova, said the schedule of future fights for the champion was dependent on the action of Joe's draft board in Chicago.
