Dental Conference Here Largest Ever

Dr. David Abernethy, of Hickory, was named president-elect of the first district of the North Carolina Dental Society at the concluding session here on Tuesday morning of the three-day 21st annual meeting of the group.

Held In District

Dr. Abernethy will take office as president of the district organization at the 1942 annual meeting

which will be held in Lenoir. Dr. W. M. Matheson, of Boone was installed on Tuesday morning and will serve as president during the coming year. He was named president-elect at the meeting last

Others who will serve with Dr. Matheson will be Dr. W. B. Breeland, who was re-elected vice president, and Dr. F. G. Coffey, of Morganton, who was re-elected secretary-treasurer.

The meeting which was attended by more than 200 was said to have been the largest ever held in the district. One of the outstanding features was the meeting held by the assistants, this district serving as a pioneer in the state in the work of organizing the group to study problems in their work,

The meeting opened Sunday with golf tournament and a trip to Beech Gap. The first formal meeting taking place Monday morning following registration at the Hotel Gordon, headquarters for the meeting. The Rev. H. G. Hammett, Methodist church, with pastor of the First Baptist church, e the invocation and the address

> lying on the floor in a pool of blood, duce. The body was directly in front of officers, this would indicate that at the time of the shooting he had been sitting on the settee and that

body had slumped to the floor. His two daughters and his wife vere in the house when the officers arrived. The wife, Jannie Lenoir, who is employed as a cook at the Haywood County Hospital, stated that she had been called from her work and told that her husband had been killed.

The man had been shot four times, once in the left jaw, the shot coming out of the opposite side of the face; another went through the head and came out on the upper part of the forehead, Meeting in Lake Lure one shot was in the left leg above the knee, and another in the back, coming out on the right side. It is said that the shot through the leg might not have been fatal, speakers club of the col-imbership was made after shots would have caused death. shots would have caused death.

Officers state that three of the bullets were found by the dead man's body and the fourth went nto the wall. The blood around the body had started hardening, according to the officers, by the 'ime they arrived and they judged Lenoir had been dead about 30

minutes. The house gave considerable evidence, so the officers state, of - (Continued on page 8)

Dr. S. P. Gay Leaves **Today For Houston For** Two Dental Conferences

Dr. S. P. Gay leaves this morning for Houston, Texas, where he will attend a meeting of the American Academy of Periodontonogy this week.

He will remain in Houston for the next week and attend the American Dental Association con-vention which will be in session. He plans to be out of town around

Warns Japan

Relations between the United States and Japan neared the breaking point following a long conference between U. S. Ambassador Joseph Clark Grew and Japanese Foreign Minister Admiral Teipiro Toyoda in Tokyo. Grew is reported to have warned Toyoda that American pressure will be intensified unless Japan makes fundamental changes in her foreign policy.

James C. Moore, superintend-dent of the Cruso Electric Membership Corporation, and Carter Osborne, president, left yesterday for Lake Lure, where they are attending a two-day session of superintendents of REA over the

Planes Fly **Over City**

This area got their first taste of an "air raid" Tuesday about noon, when two bi-motored bombers flew over from the northeast, turned

and left here due east.

Mrs. Hubert White "spotted" the mrs. Hubert White "spotted" the raiders from the Welch farm post and put in the "alarm" to head-quarters which is somewhere in the South. The information was in the hands of the headquarters officials in 131/2 seconds after the "raiders" were spotted. The average report takes 30 seconds.

Ten posts in Haywood will be manned until Saturday at six, when the raids are scheduled to cease, according to Robert S. Millar, who is in charge of the five posts in this immediate area. There are five posts in the Canton area.

Those on duty notify headquarters all information where two or more planes are spotted.

Mr. Millar said last night that the posts are active from six in the morning until six at night, The local post of the American Legion is sponsoring the observa-

Big Bear

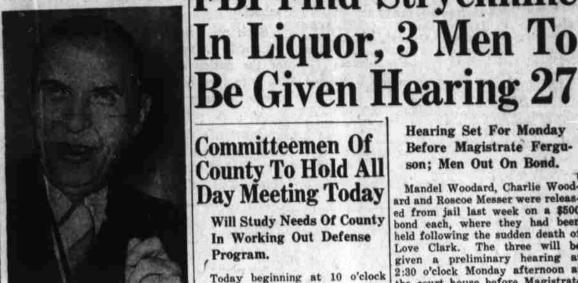

A four hundred and fifty pound bear, the first kill of the season, in this county, was brought in Monday afternoon by local sportsmen, who had spent the day hunting on Hornbuckle Mountain on the James A. G. Davey place on Soco Gap.

For a while the bear "lay in state" at th Standard Filling members, city and county superin- Station on Main street and was viewed by a large number of interested persons. The bear was killed by Oliver

Be Given Hearing 27 Hearing Set For Monday Committeemen Of Before Magistrate Fergu-County To Hold All

Day Meeting Today Will Study Needs Of County In Working Out Defense Program.

Today beginning at 10 o'clock this morning an all day meeting will be held at the court house to study the best methods of putting hips is a matter of immediate ur- on the defense program with increased farm production in the of New York introduced a bill in county. J. C. Lynn, former county farm agent, and now district agent, and T. Weaver Cathey, state AAA committeeman, will be the main this precaution from the Neu-speakers. All AAA committeemen are expected to attend,

The suggested goal for Haywood county is as follows: a 4 per cent would mean 970 more pounds of milk per year with 200 more cows milked; egg production is stepped National FFA Meet up 11 per cent, with an increase of 69,210 dozens; soybeans increased Two Haywood county boys Sam 100 per cent, with 10 additional Arrington, of Waynesville, and acres to be planted; oats 20 per Mark Kirkpatrick, of Clyde, were cent, with 300 more acres planted; barley increased 100 per cent, with 50 more acres; hay five per cent, with 284 more acres.

Every one of the 2,576 Haywood county farmers will be visited by the AAA committeemen during the month of November, Instruction in the defense program is the largest task ever assigned to the AAA committeemen since the time the

AAA work was first begun. This contact will have a two fold objective. First, a farm plan for 1942 will be worked out. The 1942, acres of grasses and clover and prevent erosion; any land unfit for farming and pasture that should be planted to forest trees; the number of acres of smallgrasses and legumes to be turned under; Town This Morning and orders taken for lime and

Second, a farm defense plan will be worked out for each farm, and this will take up any increase that (Continued on page 8) -

Haywood Lumber Dealers Ready To Serve Builders

Lumber dealers of the Carolinas referred to as "priorities." E. M. Garner, secretary of the Carolina Lumber and Building Supply Dealers Association, said in a bulletin issued this week.

The bulletin is published in detail in this newspaper today beginning on page 12.

The lumber dealers of Haywood have constantly maintained complete stocks of building materials, and according to the individual statements, also on page — they are ready to supply the needs in that line for remodeling, repairing

Norman Caldwell Recovers From Illness And Is Back On Job

Norman Caldwell, traffic officer, is back on his job directing the cars milk, milk cows, eggs, soybeans, on Main street. He started work oats, barley, and hay, all products of the western part of North been confined to his home by ill-(Continued on page 8) - ness for the past four weeks.

son; Men Out On Bond. Mandel Woodard, Charlie Woodard and Roscoe Messer were released from jail last week on a \$500 bond each, where they had been held following the sudden death of Love Clark. The three will be

Frank Ferguson. The three men alleged to have given Clark and Melton Messer a drink of liquor, which is said, they

given a preliminary hearing at

2:30 o'clock Monday afternoon at

the court house before Magistrate

claimed to have found. Clark is said to have died shortly after drinking the liquor and attending physicians report that Messer was taken violently ill. He came to a local doctor's office and was then taken to the Haywood County Hospital for treatment,

All five men are said to have been friends, and all employed on a logging operation in the Liner Cove near Lake Junaluska,

Following the coroners' inquest and autopsy, it is said that Geo-A. Brown, Jr., chairman of the county board of commissioners, instructed the county coroner, Dr. J. R. Westmoreland, to send a sample of the liquor to the government laboratories of the FBI in Washington.

According to the sheriff's department, a report has been received from the FBI laboratories stating that the liquor contained 2 per cent strychnine.

Clark was the son of Mr. and Mrs. William Clark, of East Tennessee. Funeral services were held at Panther Creek for Clark on acres of cover crops needed for Saturday afternoon, Oct. 11th He is survived by a wife and three to be seeded to conserve the soil children and a number of brothers and sisters.

Death Claims James C. Richards, Canton Official

Funeral services were held on Wednesday afternoon at 3 o'clock at the following crops: livestock and the Canton Methodist church for James C. Rickards, superintendent of the Canton water department, and oldest employe in point of service of the municipality of Canton, Mr. Rickards died Monday afternoon at 4 o'clock of a heart attack at his home on Hampton Heights, Canton,

The Rev. Walter R. Kelly, pastor of the church, and the Rev. found good news in the regulations George B. Hammond, pastor of the issued by the Federal Government Canton Presbyterian church, ofaffecting the construction industry ficiated. Burial was in Green Hill cemetery here.

Serving as active pallbearers were: W. E. Sheffield, Carroll J. McCracken, Jordan Neal, J. H. Keener, William Battison, and Mark Auberry.

Mr. Rickards was a native of Missouri, but was reared in Florida, the son of the late T. M. and Ann Elizabeth Rickards, of Canton. He was a graduate of the University of Kentucky. He was a mason and a member of the Knights of Pythias lodge.

Surviving are his widow, the former Miss Ethel Trull, of Canton; two daughters, Mrs. O. L. Briggs, Jr., of Newport News, Va., and Miss Marian Rickards, of Canton; three sons, James C., Jr., a student at the University of Illinois, and Raymond and Leonard, of Canton, and three grandchildren, Linda, Marianna, and Raymond

Extension Of Time Granted On Certain Soil Practices

A thirty days extension of time has been granted for the seeding of Austrian winter peas and vetch from November 1 to 30, according to the county farm agents, for practices under the 1941 ACP pro-

The agents have also been notified of an extension of time on the seeding of small grain to qualify for the special allotment payments until December 15th. No extension of time has been

given for the spreading of lime and phosphate, which was set for October the 31st.

MANY VISITORS SEE FOLIAGE

This area is experiencing heavy traffic right now as thousands are coming to this area to see the usual beautiful leaves,

150 Come Here to Study Farm Defense Program

"Food products for defense" was the theme of the all-day meeting held here on Monday with approximately 150 state, district, and county officials of State AAA district number 10 present. Plans were discussed to determine the best way to carry on the National Farm Defense program in 1942. Every one of the 12 counties in the district were represented.

In the group attending were county farm agents and their assistants, county home demonstration agent, and their assistants, home economics teachers, farm security agents, superintendents of public welfare, chairmen of welfare boards, and members of boards of commissioners.

T. Weaver Cathey, of this coun-

ty, state triple A agent for the conservation program, was in charge of the program. Mr. Cathey stated the purpose of the meeting and told of the work that faced the farmers of America in their part of the defense program.

"We are going to produce food or building. for home consumption for the armies that are fighting battles for us, and the men and women who are in our camps in training for our own defense," said Mr. Cathey.

"The suggested minimum goals for national defense in 1942 include the following: Increases in
