# **Locals To Play Brevard Eleven**

On November 11th, the locals are slated to meet the Brevard team in an Armistice Day game to be played on the Brevard field at 3:00. This game is the lasst conference

game of the season for the Mountaineers and the locals "bot" from their game with Mars Hill should be able to come across with some football just a little bit short of sensational.

The Brevard team playing a very close game was beaten by Canton, by a score of 8 to 6.

The locals tured in a easy 34 to 0 victory over the Canton Black Bears so they should have comparatively little trouble in running away with Brevard. It is expected that many will go

with the local team over to Brevard and help them win.

Going by facts and fig our guess that locals he ter than even chance to Mars Hill team. An Mountaineers seem to h thing in common with the team seeing as how the touchdown, 13-6, and also beat the locals by one t 25-19.

Except for a few char and black-and-blue places came out of the Christ Sc in good shape, Waynesville's Captain

Inman will probably not starting lineup due to injury, and according Weatherby the starting will be Davis.

Coach Weatherby has ting the boys through t this week and drilling oughly on the defensive the game. And all indic that the boys will play a game instead of an against the Mars Hill te As usual the band will
