OUR DEAR, GREEDY, FORE-FATHERS

One of our conservation departments has in its possession an editorial published by a newspaper in 1854 denying the possibility of any wildlife scarcity. Forest fires illuminated the skies at night and did no harm. Twelve tons of all fell in love with it, and it is a orizes for hunters who dropped the largest number of ducks.

They should have had just this one conservation measure in those days—a law enabling game hogs to shoot each other and thus obtain the expired hunter's game too. Why didn't someone think of that?

WHAT AN IDEA!

Look fellows, let's get this started! One of our large eastern cities is conducting a campaign to open a fishing pond for youngsters in each of the city's parks. The idea is to stock them with pan fish and allow only kids under 16 to fish. The NYA is supposed to supervise the fishing and teach the youngiters sportsmanship.

TRANSPLANTING GAME

It's a pity to see so much available forest lands, fields and thickets that would support game—and nothing in them. The federal game authorities have been innerous to places where they are anknown or scarce. By the use of ever she called them, she said: 'catch-'em-alive' traps, even fulltransplanted. Seven beavers were moved into Kentucky several years ago where none had been seen for a long time. This may not seem enough to repopulate the state, but remember that the many thriving colonies of beaver now found in New York state all came from seventeen beavers which were brought there from Yellowstone Park in 1907. If you haven't much to hunt for, get sportsmen of your vicinity together and "transplant" some game!

Local Sportsmen Leave Today On **Bear Hunt**

Dr. N. M. Medford will be in charge of a two-day bear hunt in Sherwood Forest which will be made up of local hunters. Canton sportsmen drew all the hunts this season, but gave way to Waynesville hunters for the bear hunt into Sherwood this week.

Most of the sportsmen will leave town late this afternoon and spend tonight at the old Waynesville Gun and Rod headquarters, according to Dr. Medford, others joining them on Friday morning.

In order to give a larger num-ber of local hunters a chance at old Bruin this season some of the hunters are joining the party for only one day to allow others to

When Duke and Carolina meet Saturday, all eyes will center on Steve Lach, Duke halfback, who is being frequently mentioned for an All-American post. Word coming from Chapel Hill this week, is that the Carolina team has put in a hard week of preparation for the game-and the Carolina team will have their eyes on Lach about as much as the thousands of spectators, who bought every seat in the huge stadium months ago.

Brevard Trampled Easy Foe

Yount Receives Shoulder Injury Which Will Keep Him From Canton Game.

The Waynesville Mountaineers passed their Blue Ridge Conference foe last Tuesday in an Armistice Day game by defeating Brevard on their own field, 19 to 6. A number of local fans journeyed across

the mountain to see the grid tussle.

Those scoring for the locals included Fisher driving through the line. A pass to Inman for 20 yards and his gallop of 20 additional yards netted another Mountaineer score. Jaynes also scored on a 20 yard pass.

The Brevard game was the last conference game for the locals and next to the last of the season. The Mountaineers have been beaten once by a conference team, and that was Andrews.

Outside of a shoulder injury regame, which will eliminate him from playing any more this season, the balance of the squad came out with only minor bruises.

There will not be any game be ween the major teams until Turkey Day, but on the day preceeding this '(Wednesday) the "scrubs' will meet the Asheville School 'scrubs" on the local field.

In My OPINION

Bill Milner is making a record in football down at the University of South Carolina in Columbia, where he is a sophmore.

Sports writers in the Columbia State have been heaping laurels on Bill's deserving crown. In commenting upon some of Bill's work with Gamecocks, Abe Fennell, the State's sports commentator said in part:

"As a freshman last year, Milner played end. Then in spring practice, Bill played fullback. This tors' 52 and after driving to the

Milner never was a player to seek fanfare, even when he carried the pigskin for Waynesville high. Bill stuck to his job and brought home the bacon skin. With two more years of college ahead, Bill is destined to continue up the ladder of success, and before he lays his helmet and uniform away, should be at the top of gridiron's famed

waste paper to speed drive.

Mountaineers Have Little Trouble In Subdueing Mars Hillians In Annual Game.

The Waynesville Mountaineers ran rough-shod over a visiting Mars Hill eleven last Friday afternoon 54 to 6 in sub freezing weather which caused the attendance to drop to a minimum.

The locals scored freely in the first periods of the play, scoring 14 points in the opening quarter, 26 in the second and 14 in the third period.

The Mountaineers placed the visitors with their backs to their own goal line and on their punt, Scruggs galloped from his own 45 down to the 7 before being downed. Davis then traveled the remaining yards to score. Wyatt drove the line for the conversion.

Going into the third period Waynesville took advantage of a Mars Hill bad punt to take the ball on the visitor's 24, and after driving down to the 3, Scruggs cracked the line to score.
