## 4 Bowls Are Full For Annual Grid Games January 1

Duke Goes To Rose Bowl To Meet Strong Oregon State For Nation's Classic.

Now that the Orange bowl finally has jelled, look 'em over and take your choice for the New Year's day football extravaganza:

Rose Bowl—Oregon State (beaten twice) vs. Duke (unbeaten, untied).

Sugar Bowl—Fordham (beaten once) vs. Missouri (ditto).

Cotton Bowl—Texas A. & M. (beaten once) vs. Alabama (beaten twice).

Orange Bowl—Georgia (beaten once, tied once) vs. Texas Christian university (beaten twice, tied once).

The entry of Alabama and TCU into the bowl program was a surprise. It left unbeaten and untied Duquesne out of the major bowl assignments.

Alabama and TCU, however, are a pair of bowl old reliables. The Crimson Tide has gone to the Rose Bowl five times, winning three games, losing one and tying one. TCU has won two games in the Sugar bowl and one in the Cotton bowl for a perfect bowling score.

### Duke Only Perfect Team

For the first time since the bowl business branched out into a four-play New Year's day pick-me-up, only one perfect-record team is involved. That is Duke. Last Jan. 1, for instance, there were three—Stanford in the Rose bowl and Boston college and Tennessee in the Sugar bowl. And Mississippi State in the Orange bowl had only a tie against its perfect record. Nebraska and Georgetown, the other teams in the Rose and Orange bowls had been beaten only once as had the Cotton bowl antagonists, Texas A. & M., and Fordham.

Whether Duquesne, with a perfect slate, sounded out in the bowl negotiations has not yet been disclosed, but the Dukes presumably would not have been averse to a New Year's day jaunt since their athletic coffers admittedly were depleted.

The participants for the Sun bowl game at El Paso, Tex., have not been chosen, but Arizona is expected to draw the Western assignment if it wins its final game with Utah this week.

The Georgia-TCU clash shapes up as the natural. TCU agreed to play late last night shortly after University of Texas had declined the Orange offer, preferring to concentrate on its game this week with Oregon.

### TCU Lost Two, Tied One

TCU has lost to Texas A. & M., and Fordham and been tied by Rice, but its victims include Texas, the team that knocked the Aggies from the unbeaten ranks. The Christians have been short-handed nearly all year with their star,

## Henry And Inman On Conference Team

Three Waynesville Men Land Berths On Second Team Named By Conference

The Waynesville high school Mountaineers were awarded the championship of the Blue Ridge Conference last Monday night at a dinner meeting of the conference held in Canton.

The Mountaineers were named the champions after Rural Park-er, of the Andrews eleven had been voted as an ineligible player and thereby eliminated that school from the running.

Andrews finished the season with five conference wins and no defeats, while the locals lost one loop game and won five. It is the custom of the group, a ballot is cast for the winning team and not the standing of the teams determined the champion.

Last season the honors were split between Waynesville and Canton and they were named co-champions.

The bronze trophy was presented to Coach Weatherby by the conference secretary, Coach Charlie Poindexter, of Canton, at the close of the business meeting.

At the meeting an all-conference eleven was selected by the group, both first and second teams and honorable mention. Waynesville was well represented in all brackets.

The All-Conference pick of the group follows:

Left End—Grogan of Canton.  
Left Tackle—Cabe of Andrews.  
Left Guard—Dixon of Brevard.  
Center—Carroll of Canton.  
Right Guard—H. Lyda of Swannanoa and Lunsford of Andrews.  
Right Tackle—Chester of Sylva.  
Right End—Franklin of Brevard and Brady of Andrews.

Quarter Back—Henry of Waynesville.

Left Halfback—Inman of Waynesville.

Right Halfback—Bright of Swannanoa.

Fullback—Smith of Sylva.

Second Team

Left End—Francis of Waynesville.

Left Tackle—McRorie of Waynesville.

Left Guard—Parker of Brevard.

Center—Arrington of Waynesville.

Right Guard—Hawk of Andrews.

Right Tackle—Buckner of Mars Hill and Phillips of Canton.

Right End—Aikens of Sylva.

Quarter Back—C. Rector of Sylva.

Left Halfback—Morris of Brevard.

Right Halfback—Ashworth of Brevard.

Fullback—J. Rector of Marshall.

Those receiving honorable mention were:

Ends—Jaynes, Waynesville; Tucker, Canton; and Penley of Swannanoa.

Tackles—B. Dixon, Brevard.

Guards—Matthews, Canton and Evans, Waynesville.

Center—Cathy, Andrews.

Backfield—Jones, Brevard; Yount, Waynesville; V. Parker, Andrews; Robinson, Marshall and Miller, Canton.

The loop officials and representatives set Canton as the place for basketball tournament which is scheduled for the second week in March. The track meet was set for Friday, April 10, at Brevard and the tennis tournament, April 18 at Canton.

C. E. Weatherby presided over the meeting.

Kyle Gillespie, on the sidelines with an injured knee. But Gillespie is on the mend and should be in the game.

C. E. WEATHERBY coached an- taineer football team to the Blue Ridge championship this year. Coach Weatherby was assisted by Carl Ratcliff.

## Dr. Kirkpatrick Lands A Five-Pound Carp

Dr. W. L. Kirkpatrick, local physician and sportsman, stopped by The Mountaineer early yesterday morning (Wednesday) to show the five-pound carp he had just caught in Lake Junaluska. Dr. Kirkpatrick said he used a live minnow and a cork on his line to catch the large fish.

Dr. "Kirk" was asked if he fished all night and he replied that he arose around six o'clock and went. He also said that as long as a human heart beat he was on the job; and as long as fish would bite he would not neglect them.

## Crabtree, Bethel Split Cage Games

Crabtree high school's boys came from behind Tuesday night to lick Bethel boys in a tight basketball game, 23-21 on the Crabtree court. Guard Crawford, with 13 points, led the scoring. The score at half-time was 9-8 in favor of Bethel.

In the preliminary game Bethel's girls, led by Mease, with 29 points, topped the Crabtree sextet, 45-19.

**DECLINE**  
A total of 10,420,000 persons were employed in agricultural work November 1, a much more seasonal decline of 1,112,000 workers from the number on October 1.

**LARGER**  
The October volume of general merchandise sales in small towns and rural areas was larger than for any previous month on record, except December of last year.

## SOUTHERN WILDLIFE

### Snip That Snipe!

This may never make you a million dollars but it's interesting to know. The U. S. Bureau of Standards has declared the cigarette to be a greater forest menace than the cigar! Research has established that a discarded cigarette will burn for 8 1/2 to 12 minutes, while a discarded cigar will go out in from 2.3 to 5.17 minutes.

### New Type Deer Fence

A new type "deer proof" fence composed of five electrified wires suspended three feet apart horizontally on cross bars three feet above the ground, is now being tried out. To clear this fence it is necessary for deer to leap more than fifteen feet, while it is impossible for them to crawl under without being shocked. Conservation officers watching the experiment report that it has been successful thus far, but deer are often stopped temporarily by new devices and later find ways to defeat their purpose.

### Poison Fish

In Philippine Islands waters there are several species of fish whose flesh contains poisons. A number of mysterious deaths were finally solved when it was found that they were the direct result of eating poison flesh of fish. These strange fish do not bite you. Neither do they sting—yet their flesh contains poisons similar to the deadliest of mushroom poisons.

### About Game Birds

Contrary to the belief of many people, there is no breed of pheasant native to the United States. The first record of releasing pheasants in this country is a group of ring necks released in Oregon in the latter part of the nineteenth century.

The baby Chukar partridge has black legs and a black beak. As he grows older, this color changes to a beautiful shade of red, which

Game breeding is steadily increasing as a full-time enterprise in the United States. What with restocking of sportsmen's clubs, state purchases, and individual buying, the market for game birds of all kinds has steadily advanced. A great many game bird breeders check their feeding and care is most important during the spring when they are laying. You must feed your birds well throughout the winter also in order to build up body strength and health for the

spring season.

### There's Something New All Right

Sometimes you think there is nothing more new that can be told about the funny things happening afield to sportsmen. But it seems there's always a new one. This takes our cake. A Virginia game warden came across a hunter with a squirrel in his pocket recently and quite naturally asked the man for a peek at his license. "Oh, I don't need a license," replied the hunter as he stroked the
