

Government Is Asking For Steel and Scrap Iron

The government needs all the scrap iron and steel that is available to help in the defense program. This scrap iron and steel is very vital to the emergency and the government is asking that all scrap iron and steel be collected every farm in Haywood county. The farmers will receive a small amount for this scrap iron, varying from 20 to 35 cents per one hundred pounds. Plans are being worked out, so that this scrap iron and steel can be collected. It is hoped that all farmers in Haywood county will start collecting the scrap iron on their farms, so that the arrangements have been worked out to where it can be collected in the county, they will have ready. It has been pointed out that it is the patriotic duty of every Haywood county farmer to see that the government gets the scrap iron and steel on their farm. Haywood's aluminum campaign was a success, and there is no reason why this campaign should not be bigger.

Funeral Services Held On Sunday for Mrs. Rachel Clark

Last rites were held on Sunday afternoon at 2 o'clock at the home of Mr. and Mrs. Sam Queen on the Dellwood road for Mrs. Rachel J. Clark, 92, widow of the late Dallas Clark, veteran of the War Between the States.

The Rev. Yoder Davis and the Rev. W. L. Hutchins, superintendent of the Waynesville district of the Methodist church, conducted the services. Burial was in the Clark cemetery in White Oak township near the old Clark residence.

Mrs. Clark died on Friday night at 8:30 at the home of her daughter, Mrs. Sam Queen, with whom she was living. She had resided in Haywood county all her life, having been born on October 20, 1849, the daughter of Jack Ferguson and Emeline Rogers Ferguson.

Serving as pallbearers were the following grandsons: Paul and Rankin Ferguson, Roger Hugh and Jack Clark, Roger Ferguson, Ben Wright, Sam Queen, Jr., and Richard Queen. Granddaughters served as flower girls.

Mrs. Clark was a life-long member of the Methodist church. She was very much interested in current events as well as history, being well informed on the history of both Haywood county and North Carolina.

Surviving are five daughters, Mrs. Dave McCracken, of Fowler, Mont.; Mrs. T. B. Allen, of Toledo, Wash.; Mrs. R. W. Teague, of Dade City, Fla.; Mrs. F. B. Davis, of Canton, and Mrs. Sam Queen; one son, Grover C. Clark, Waynesville; two brothers, Melville Ferguson, Waynesville, and Andy Ferguson, Hazelwood; 29 grandchildren, and 20 great-grandchildren.

cash contribution to help purchase candy and fruits. Thank you, Rotarians.

(10) The business houses from whom we purchased materials and produce gave us concessions, and were courteous, putting extra effort into getting what we needed.

(11)

(12) Mrs. Paul Walker and the girls working under her supervision were "life savers" for us this year. We ran short of toys. They contributed 50 dolls, and attractive dolls, made recently. Thank you and we may add, "What would we have done without the dolls?" We hope to get this excellent collection another year.

(13) We wish to thank J. C. Brown and Lawrence Crocker for aid in transportation. We wish to congratulate the Lions Club on their accomplishments this Christmas season. They rendered much needed and excellent service. Also we might add the effort and realization of the Salvation Army is praiseworthy.

In the closing lines Mr. Editor, may we say, "Thank you for assisting in many ways to promote the Christmas spirit." Our friend of the Christmas and every season is Mrs. Gwyn. We too thank her.

Waynesville's First Church Had Strict Rules For Regular Attendance In 1823

By T. L. Green.

EDITOR'S NOTE—The following history of the Baptist church in Waynesville was prepared and recently read during a church service by T. L. Green:

The Waynesville Baptist church was organized and instituted on the 1st day of August, 1823, by a Presbytery composed of Rev. Humphrey Posey, Rev. Joseph Byers and Adam Corn. Humphrey Posey was, at the time, a Baptist missionary for Western North Carolina, and was probably the first pastor of the new church. The church was composed of 27 members, but unfortunately we are unable to obtain the names of these 27 charter members. The first house or meeting place of the church was located at a point on the East side of Richland creek near the point where the present bridge crossing from Commerce to Smathers street is located and very near the large rock just above the bridge. The records show that the lot on which the old log house was built was deeded to Bannister Turner, William Welch and Ninian Edwards, trustees for the church.

The church carried on in this old log house until about the year 1850, when R. G. A. Love deeded the church a lot on what is now Church street about where Mrs. Dr. R. L. Allen now lives and near the Catholic church. Here the church constructed a new frame building about 30 by 60 feet, where it continued to worship until 1905, when it purchased the lot on Main and Academy streets, on which it has constructed the present buildings.

A complete record of the church history can not be obtained, because our records have not been preserved, for instance the records of deeds shows that the lot on Church street was not deeded to the church until 1880, yet Aunt Macinda Crymes, who lived to be about 99 years of age, stated that the church on this lot was built before the Civil war in 1861.

For several years after our first church house was built on the bank of Richland creek there was no other church building in the Waynesville community, and for several years other denominations worshipped in the court house or in the old Waynesville academy which was located where the Greenhill cemetery is now located.

Until about 1880 church services were held but once a month, when services began to be held twice a month until about 1895 when services were increased to three times a month. At this time the church received either directly or indirectly from the Home Board to supplement the pastor's salary.

DISCIPLINE

The records show that the church in its early history was quite strict in its discipline. For instance, the records reveal that in August, 1867 a resolution was passed that all male members of the church should be called to account if they absented themselves from two consecutive meetings of the church, and if they were absent for three consecutive meetings they were excluded. The sisters were allowed slightly more indulgence. If they were absent for as long as six months they were excluded.

The church as early as 1881 passed a resolution memorializing the general assembly of North Carolina to prohibit the sale and the manufacture of liquor.

This church up until about 1886 was a member of the Tuckasegee Association. At about this time

the Haywood Association was created and this church transferred its membership to the Haywood Association.

In so far as can be ascertained the church has, during its 118 years history, had 38 pastors, many of whom have been outstanding characters in the religious life of the state, and we acknowledge ourselves greatly indebted to them for their contributions to the growth and development of this church and the work of the Kingdom generally.

In the light of this humble beginning and long struggle we feel that we may entertain a just pride in our great growth and development to our present status and pray that we may not only appreciate our good fortune, but that we may live worthily of the same and continue to seize and use the great opportunities for the ongoing of God's Kingdom.
