Oddly enough, the firm is back in the same location where they started in business 26 years ago. The firm is the largest electrical company in Western North Carolina outside of Asheville.

The owners are Fred and Paul Martin.

Do Their Share for Scrap Rubber Campaign

Although the United States is badly in need of rubber, it still isn't down to taking rubber pants from babies. So Manager Charles Nam of a Woodside, L. I., service station returns the pants turned in by Carole Anne Schaller in the scrap rubber campaign initiated by President Roosevelt who called on every citizen to turn in "every bit of rubber you can possibly spare." It can be said that Carol Anne has done her good deed

O. Y. Kirkpatrick Addresses Rotary

Former Haywood Man Returns To Navy After Retiring In 1940.

Chief Pharmacists Mate O. Y Kirkpatrick, of the navy addressthe Rotary Club here Friday, on 'Naval Officers Procurement.'

The office, with which Chief Kirkpatrick, a Haywood man, is charged with procuring from civilian, professional and business circles, men who are qualified for commissions in the naval reserve.

Chief Kirkpatrick cited the requirements for entering the naval reserve, which included such things as education, and minimum physical

requirements. Chief Kirkpatrick is the son of men's and Children's Hospital in Dr. W. L. Kirkpatrick, and lives in Charlotte, and has had 16 years active duty, and twelve years in the Fleet Naval Reserve, and was retired in 1940. He recently vol-pressily returned to active duty Prof. Allen's New unarily r:eturned to active duty for the duration of the emergency from his position as president of State History Is In unless he hates the man he is fighting?"
