Blind 42 Years—He Sees Again

A delicate eye operation restored the sight of C. O. Clark, 69, of Pueblo, Colo., after he had been blind for 42 years. His greatest thrill after years of darkness was seeing his wife for the first time. He had married her six years after he lost his vision in an accident. While applying for compensation an eye specialist told Clark that an operation might help him to see again. Here is the happy couple after Clark's sight was restored. (Central Press)
