

# Who, me?

Yes, neighbor you . . .

... quiet, self-effacing you are a living part and parcel of the biggest, toughest, bloodiest war in all the hard pages of history.

You can't escape it. You can't hide out on the moon!

For here is a war EVERYBODY is in. The man behind the plow. The lad in knee pants. The oldster with the cane. The housewife with the market basket. The white collar worker. The blue collar worker. The girl in the schoolroom.

We're ALL in it—lock, stock, body and soul.

If America loses you lose. If America goes down (and it can), you go down, too. And every decent thing goes down with you . . . that home, that hearth, that patch of ground, that blessed freedom.

The only way to save these things is to win the war.

And the only way to win is to outbuild, outgun, outplane, and outfight the enemy—to make him sick at the sound of a propeller, the sight of a tank, the roar of a bomb.

That's where you come in.

For, brother and sister, building these things take money. Lots of it! And your Government needs that money right

# Yes, you!

now! Not for keeps. They don't want you to give it away. They just want you to lend it to them.

Deny yourself. This is war!

Invest every dime, quarter, half-dollar, dollar you can lay your hands on in U. S. Stamps and Bonds. Not just spare money but money you can't spare. Dig deep.

Make every pay day Bond Day! Make every day Stamp Day. Start doing it this very day.
