## Mountaineers Topple Christ School From List Of Unbeaten Grid Teams

The Waynesville Mountaineers continued their march toward an undefeated season on the local field Saturday afternoon when they defeated the undefeated Christ School Greenties, 25 to 0. The attendance at the game fell off somewhat as compared with previous games.

Both teams held high ratings in their class as neither had felt the bite of defeat, and both teams also suffered in that injuries and illness prevented several of the players participating. Johnson, captain of the Christ School eleven, failed to see any service due to illness and Constance failed to see any service due to illness also.

Neither team managed to reach the goal early in the first period, although the Mountaineers marched down the Christ School 21 only to have the visitors intercept a pass to stop the leads drive.

The Mountaineers managed to reach the goal early in the second period after a drive late in the first quarter put them deep in Christ School territory. Arrington plunged through 1 ft tackle from the 2-yard line for the first score of the game. The try for conversion was no good when the visitors knocked down a pass.

The locals again threatened late in the second period when they advanced down to the Christ School 20 only to have the visitors plug up the gaps in the line and the ball went over to Christ School.

Waynesville managed to cross the goal two times in the third period, the first coming early in the quarter when Arrington intercepted a Greenie pass on the visitor's 40 and managed to drive to the 29 before being stopped. On the next play, Henry spirited left end for the remaining 29 yards and a touchdown.

Arrington drove over left guard to convert the extra point. Late in the same period, Henry received a Christ School boot on his own 30 and fought his way to the Christ School 44 and on the next play broke away and carried down to the one where Arrington plowed through center to score.

A pass for the extra point was no good. Waynesville was well on their way to another score when the period ended, the ball being on the visitor's 15 after Henry had re-

turned a Christ School punt to the Greenties 27 and Arrington and Fie carrying down to the 15.

After driving down to the Christ School one-yard line, Henry cracked over left guard for the final Mountaineer tally. A pass for the extra point was knocked down. The Greenties began their only threat of the game in the last period when they took to the air and marched down to the locals 18 where the Mountaineers dug in and held for downs.

The Mountaineers chalked up 16 first downs to the visitors 7, but the Greenties were in their fighting the whole time.

The Waynesville High School Band was on hand to furnish music and marching demonstrations before the game and at the half-time. We believe they put on one of the best demonstrations of the year at the half. At first they saluted the visiting team by forming the letters "C S". This was followed by the letters "G S" in honor of the Girl Scouts who had a representation there to carry their colors and the United States Flag. Maneuvering up the field they then formed a large anchor and played "Anchors Away." From the anchor they formed a large "V" from which they went into the "W".

Little Miss Jacquelin Berry seemed to hold the limelight in the band. Dressed in her little majorette costume and twirling her baton just like a veteran, and performing in grand style. The lineup: Pos. Waynesville C. School

### Canton Bears Nose Out Asheville Team

The Canton Black Bears scored a pair of touchdowns Saturday night and then beat off a late rally by Asheville School to net a 13-12 victory on the Canton gridiron before 1,200 yelling fans.

Coach Poindexter's eleven spotted the Blues a single marker in the second quarter and then roared back to tie proceedings on a beautiful 74-yard run by G. Stamey in the same period.

The Bears picked up another marker in the final installment and then succumbed to a passing attack that enabled the Blues to move within one point of a deadlocked ball game.

Gannt was the big boy for the visitors, passing for most of Asheville School's gains. In the second period he flipped an 18-yard pass to End Lipscomb, who ran the remaining 15 yards for the game's first score.

However, the scene changed almost immediately when G. Stamey set sail for pay dirt on his 74-yard sprint. The run came three plays after the Blues had broken the ice. The first half ended, 6-6.

In the final period Carroll blocked an Asheville School punt on the Blues' 38, and Chapman picked up the ball and scampered across the goal line for a touchdown. H. Smathers kicked for the point.

Late in the game the Blues opened up with their aerial attack and got their last marker. Gannt passed from the Canton 30 to the 10. He tossed another pair to Manley, the last falling into Manley's arms across the goal line.

Asheville School held the upper hand in first downs, 8 to 3.

Before you revarnish furniture, go over pieces with turpentine applied on a stiff brush. This removes furniture polish and old varnish. Rub well with sandpaper, and wipe with cloth, then apply new varnish.

### Death Claims W. K. Horton, Former Local Merchant

Friends here have been notified of the death of W. K. Horton, 69, retired merchant and former business man of Waynesville, who died at his home in Cleveland, Tenn., on Friday morning, following a four years' illness.

Mr. Horton was a native of Madisonville, Tenn., but had resided in Cleveland, Tenn., for the

past several years. He was in business there until ill health forced him to retire. Mr. Horton formerly operated a store in Waynesville, and during the past two years he and his sister, Miss Nan Horton, had spent much time here. They resided for several months in the home of Mrs. J. W. Seaver and later leased a cottage at Lake Junaluska. They had many friends in this section.

Mr. Horton is survived by two daughters, Miss Helen Horton, of Silver Springs, Md., and Mrs. Lucy Martin, of Washington, D. C.; one

### Asheville Team Is Highly Rated As Strong Outfit

Several Mountaineers On Injured List Will Be Missed From Line-Up.

The Waynesville Mountaineers will tangle with what is expected to be their hardest team of the season on the local gridirons Friday night at 7:30 when they meet the "B" team of the Asheville High Maroons. The locals have an open date for Friday and have secured this team which is rated as almost as strong as the Maroon first team.

The locals will again be crippled in that Jackson received a shoulder injury in practice early in the week and will not be able to play Friday. Constance, who is also nursing an injured shoulder may see a little action but his shoulder has not yet improved to the point of being at his full strength. Yount, who was out last week due to illness has recovered and will be at his usual half back position.

Couch Wetherby had not fully decided who would be placed at the end in Jackson's place, but the choice lies between Hoyle, Handers and Gibson.

It is expected that Asheville will bring all of their players with the exception of their regular starting eleven. The reports from Asheville are that the second team is almost as good as the first and they are coming over to upset the undefeated record of the Mountaineers.

The Waynesville band will be on hand as usual to demonstrate hand as usual to perform before the game and at the half.
