

Waynesville Meets Hendersonville Here Friday Night At 8

Bearcats Coming In Full Strength; Rough Game Is Anticipated.

The Waynesville Mountaineers have been going through stiff workouts this week in preparation for the game Friday night with the Hendersonville Bearcats. The opening kickoff is set for 8:00 o'clock.

Next to Canton the Hendersonville games comes next in rivalry. These two teams have been battling each other for a number of years, and fans of both towns look forward to the game.

This season it looks as if the two teams are about evenly matched and one of the hardest games, outside the Canton affray, is expected.

Captain Weatherby has been putting the squad through relatively hard drills on the fundamentals. According to Coach Weatherby, the Mountaineers will be at full strength, coming out of the Canton game with only minor injuries that are expected to be eliminated by game time Friday.

It is expected that a number of Hendersonville fans will follow their team here, to add their part in spurring the team forward.

The probable starting lineup for the Mountaineers will be Collins and Troutman at the ends, Medford and Scates at tackles, Knight and Caldwell at guards, and Jaynes at the pivot spot. In the backfield: Teague at quarter, Scruggs and Fie at halfbacks, and Captain Evans at fullback.

Hendersonville To Bring Scrappy Team Here Friday

By Wilson Ayers
Special To The Mountaineer

Hendersonville, Oct. 18 — The Hendersonville Bearcats were diligently at work this afternoon learning new plays and going through fundamentals which they showed weakness in Friday's game, as they set about to prepare themselves for the oncoming game Friday night with their traditional rivals, the Waynesville Mountaineers.

Coach's C. H. Price and Woody Griffin, who have tutored the locals to two wins, one tie, and a loss, are expecting big things from the Cats Friday night against Carleton Weatherby's outfit. The Cats are resolved that this year's outcome will make up for the drubbing that Waynesville handed them last year and from their showing in previous games, the locals have a good chance to do just that. Mountaineers Drop Game To Canton Black Bears 21-7

Canton Shows Too Much Power For Light Mountaineer Eleven.

Playing before approximately 3,000 excited fans on the Canton gridiron, the Waynesville Mountaineers went down in their first defeat of the season at the hands of the Canton Black Bears, by a score of 21 to 7.

The Black Bears were rated some better than the locals before the game started, but put up a good scrap throughout the game.

The Mountaineers' only score came in the second quarter when Teague threw a long pass to Troutman that netted the locals 47 yards. Evans drove the remaining six yards for the score. Evans also bucked the line for the extra point.

Canton scored in the first, second and last periods of the game with Rickman credited with two and Smathers one. Fowler place-kicked all the extra points.

Rickman went from the two in the first period at the end of a 30 yard march. Smathers romped 7 yards after a 48-yard drive in the second quarter.

In the fourth, Smathers passed to Rickman for 33 yards and then of a sleeping end play passed the remaining seven yards for the last score of the evening.

The Mountaineers threatened early in the fourth period when they drove to the Canton four, but were unable to crack the Black Bear line.

Fans are looking forward to the second game of the season between these two rivals on Thanksgiving Day when the game will be played here.

. . . So many things have been happening since school started... so many new friends to talk to, and so much to talk about.

Certainly you're thrilled, young lady! But before calling, please remember that all telephone lines are crowded now. If you're a party line user, it's especially important to avoid unnecessary calling — and to speak briefly always. Telephone materials aren't available to build enough lines for everybody, so we must make the most of the facilities we have.

Your help in keeping the lines clear will be appreciated by a lot of people.
