Methodists Plan War Chapel

The name of every man and woman on the service flags and honor rolls of the Methodist churches in the nine states of the South-eastern Jurisdiction will be preserved in a Memorial Chapel to be at Lake Junaluska soon.

Plans for the small, Gothic commemorative sanctuary, pictured above, with the Room of Remembrance connected by a cloister, have been approved by the College of Bishops and Jurisdictional authorities of the Methodist Church. Centrally located and visited annually by thousands of Methodists the Methodist summer assembly of the South was selected as the most appropriate site.

The memorial will be financed by gifts from the 12,072 Methodist churches in the Jurisdiction, to be made on V-Day. "One dollar for each member in the armed forces will cover the cost," Bishop Paul B. Kern of Nashville, Tenn., chairman of the committee, has estimated.
