You've had bigger profits—
NOW BUY BIGGER BONDS

This is a BIG farm year—Now Buy BIGGER Bonds!

Here are 6 big reasons for buying the most you can—\$100, \$500, \$1,000—in the big 6th War Loan. War Bonds give you:

1. The best and safest investment in the world.
2. At maturity, \$4.00 for every \$3.00 you loan.
3. The convenience of cash—plus increase in value!
4. Funds to replace and restore worn-out farm equipment, soil fertility, and buildings.
5. Funds for educating your children; a nest-egg for your own security, travel, retirement.
6. The increased purchasing power vitally needed to win the Peace.

THEY still die—will YOU buy?

FARMERS have much to be thankful for this year. Before you sit down to that big turkey dinner, ask yourself if you've done the best you could. Loaning money is the *easiest* part of the war effort—but it is as essential as fighting. We don't need to ask if they're fighting enough. *Are you loaning enough?*

It's been a mighty good year for farmers. So far it's been an easy war in general for us in the United States: *But it isn't over yet.* Not by a long shot. The biggest part of the job is still ahead. The war against Japan will probably be history's costliest. One average Navy task force costs 2 billion dollars—and we need many of them. Even *one torpedo* costs \$12,000! And one super-fortress to bomb Tokyo, \$600,000.

Your dollars are urgently needed—now more than ever—to speed victory and insure America's future. *Prove* your Thanksgiving. Buy the biggest War Bonds you can—NOW!
