

U. S. Marine Corps boot

Today, and every day... far from home

American farm boys are still giving their lives for you... you can help to save many of them

This is a BIG farm year— Now Buy BIGGER Bonds!

Here are 6 big reasons for buying the most you can—\$100, \$500, \$1,000—in the big 6th War Loan. War Bonds give you:

1. The best and safest investment in the world.
2. At maturity, \$4.00 for every \$3.00 you loan.
3. The convenience of cash—plus increase in value!
4. Funds to replace and restore worn-out farm equipment, soil fertility, and buildings.
5. Funds for educating your children; a nest-egg for your own security, travel, retirement.
6. The increased purchasing power vitally needed to win the Peace.

THEY still die—will YOU buy?

THE job is a long way from over yet. The toughest part for our fighting men may be just beginning. Surely the easiest part of the whole war effort is lending money. Have you done your share? The more and better equipment they have, the fewer lives will be lost.

War in the Pacific will probably be the costliest in history. Distances are vast; supplies and equipment must travel thousands of miles, in huge quantities, to many places. One battleship costs 108 million dollars. One B-29 to bomb Tokyo costs \$600,000. Even one torpedo to sink a Jap ship costs \$12,000.

Your dollars are needed now more than ever. Japan is fighting on fanatically for only one reason—they think our home-front is soft and will quit. They know they can't win, but they expect us to lose. Let's give them America's answer—in the 6th War Loan!

Buy the biggest War Bonds you can, NOW! It is a privilege you are lucky to have... and it will save lives.
