YOU FIGURE IT OUT FOR US

THE STAFF at the Fort Logan Convalescent Hospital, Colorado, thought they'd need some convalescing themselves when the identical Bartley twins of Keystone, Okla., recently checked in after overseas service. Boyd (left) and Loyd are both staff sergeants, wear the DFC, the Air medal with 3 Oak Leaf Clusters, and the European Theatre of Operations Ribbon. They attended the same army schools, flew their missions in the same B-24, and are married to sisters. The only difference is that Loyd wears the Purple Heart Ribbon, for wounds he received in his leg on his thirtieth mission over Europe. (International)

How much does a Diamond Ring cost at Lee's Jewelers

We cannot give you a definite figure ... but there's a definite answer

THE answer is simply: Never more than it is worth ... and usually somewhat less. Whatever you decide to invest, we have a fine selection to show you in a variety of newest styles. But one thing is definitely assured. The price tag we place upon a diamond ring is always based upon careful examination and expert judgment with the thought in mind that our policy of giving the utmost in value comes first, above all else. Our satisfied customers are our best evidence of the wisdom of such a policy.
