Dr. Love Now At Lake As Manager Of The Assembly

(Continued from page 1)

A. Lambeth, who has been appointed superintendent of the Greensboro District in the Western North Carolina Conference of the Methodist church.

Notable in the ministry of Dr. Love are pastorates at First Methodist Church, Wilson, Grace Church, Wilmington, Edenton Street Church, Raleigh, and as superintendent of the Raleigh and Durham districts in the North Carolina Conference. For three and one half years he was president of Louisburg College (Louisburg), and for a period of time was a teacher in Granberry College, Juiz de Fora, in Brazil. He was one of the five American Commissioners, and secretary to the Commission, setting up the autonomous Methodist Church in Brazil. Dr. and Mrs. Love have three children: Mrs. John O. Evans, of Raleigh, Mrs. William L. Belvin, Fayetteville, Ark., and Frank, Jr., a student at Juillard School of Music, New York City.

Trustees of Lake Junaluska Assembly lauded the work and spirit of the retiring superintendent, Dr. Lambeth, who has been acclaimed throughout the Southern States as the "man who saved Junaluska to the Methodist Church." Dr. Lambeth successfully conducted a financial campaign in 1936 which lifted an indebtedness and prevented threatened foreclosure. Since that time he has served as superintendent of the Assembly, without salary, while pastor of nearby Central Methodist Church in Asheville.

As a result of action of the Southeastern Jurisdictional Conference of the Methodist Church, at Atlanta, June 22-26, the Lake Junaluska Assembly was made a jurisdictional project and an appropriation was made to pay for a permanent superintendent who will reside on the grounds. Mrs. James Atkins, Sr., widow of Bishop Atkins of the Methodist Church, has donated her summer home at Junaluska to be used as a residence for the Assembly's superintendent.
