Haywood Seeking To Raise \$3,575 During The Drive

Waynesville Rotarians Taking Lead In This End Of County In Soliciting Funds

An extensive drive will be staged here this week-end in an effort to raise the Haywood quota of \$3,575 for the Infantile Paralysis drive. The Waynesville Rotary Club is sponsor of the drive in this end of the county. Jonathan Woody, is general chairman.

Special contributions are being made by students in the schools of the county, and during the past week donations have been taken by the women's division, headed by Mrs. Charles E. Ray, Jr., at the Park Theatre. The industrial plants will make special contributions, as committees have been named at Unagusta Manufacturing Company, A. C. Lawrence Leather Company, Royle & Pilkington Company, Dayton Rubber Manufacturing Company, and Welco Shoe Corporation.

Members of the Rotary Club will operate the dime board on Main Street on Friday and Saturday, and during the two-day period, solicit funds from all business houses and offices in the community.

The dime board will go into operation Friday at 11 o'clock, with Dan Watkins and Dr. J. R. McCracken in charge. Others to work on the board for the remainder of the day are James B. Neal, Hugh Massie, Ben Sloan and Dr. Walter West.

Saturday's workers are: R. L. Sutton, R. L. Prevost, Jr., H. R. Clapp, Aaron Prevost, Leo Weill, L. N. Davis, Richard Barber, Ben Colkitt and W. Curtis Russ.

The workers named to work the business houses and offices have been given designated territories and are: M. R. Williamson, Dr. Tom Stringfield, N. W. Garrett, William Medford, James E. Massie, R. B. Davenport, Ed Williamson, H. S. Ward, Guy Massie, Charles E. Ray, Jr., Stanley Brading, Dr. Frank Lovel, Dr. C. N. Sisk, M. H. Bowles, J. Hardin Howell, Dr. R. H. Stretcher, Dr. N. M. Medford, J. H. Way, and W. Roy Francis.

In discussing the campaign, Mr. Woody pointed out that from June 1944, through March, 1945, the National Foundation for Infantile Paralysis sent into North Carolina the sum of \$623,502, and since March, 1945 an additional \$59,129 has been sent here, making a total of \$682,631, coming directly into North Carolina from the National Foundation.

In addition to this, North Carolina local chapters of the National Foundation made available the sum of \$51,807, swelling "March of Dimes" funds used in North Carolina to \$734,434. Since the hospital has been moved to Charlotte, the additional sum of \$165,184 has been given by and channeled through the local chapters, swelling the grand total of \$899,622.

Other amounts used for rehabilitation purposes, including braces and orthopedic work, would swell this figure to somewhere within close proximity of the one million dollar mark.

W. Curtis Russ Elected President Weekly Newspaper Association

The annual North Carolina Newspaper Institute was held last Thursday and Friday in Chapel Hill with headquarters at the Carolina Inn. The opening session was held in the Hill Music Hall, with Harvey Laffoon, president, presiding. It was the largest gathering of the North Carolina press on record.

Secretary of the Treasury Fred M. Vinson made the main address at the opening meeting. Also taking part on the program during the evening were: Dean Robert House, of the University, President Frank Graham, Mrs. Elizabeth Swindell, vice president of the N. C. Press, Josephus Daniels and others.

Building & Loan Directors Hear Good Report

The board of directors of the Haywood Home Building & Loan Association heard an excellent report on the completion of the 25th year's work at the annual meeting here this month. The organization opened for business in October, 1919, and two charter members are still on the board, R. L. Prevost, Sr., president, and J. R. Boyd. Mr. Prevost has been president since 1921. Shown here, left to right are A. T. Ward, J. R. Boyd, O. L. Shelton, J. W. Ray, R. L. Prevost, Sr., E. J. Hyatt, L. M. Killian, C. N. Allen, and L. N. Davis, standing is secretary, W. H. Burgin, another director, was out of town when the above photograph was made by Wallace Marley for The Mountaineer.

Haywood County Hospital Again On Approved List

The Haywood County hospital has again been included on the list of approved hospitals in the United States and Canada in an official announcement by Dr. Irvin Abell, of Louisville, chairman of the board of regents of the American College of Surgeons. The list was compiled from the results of the 28th annual hospital standardization made in survey in 1945.

The survey showed that 3,181 hospitals or 80.8 per cent of those inspected met the minimum standards for approval. This compares with a total of 3,152 approved hospitals following the 1944 survey. The approved hospitals in the United States, Canada and a few other countries are listed in the annual approved number of the Bulletin of the college just issued.

On the list are hospitals of 25 beds and over which have complied satisfactorily with the requirements that assure the best of care of the sick and injured.

The American College of Surgeons, representing some 14,000 leading surgeons in this country and Canada and other areas, carries on extensive work each year in improving hospital service.

Dr. Malcolm T. MacEachern, associate director of the college and in charge of its hospital activities, declares that the indispensability of good hospital care was forcibly impressed upon both civilians and military personnel in their wartime experiences, which demonstrated the contribution that scientific medicine as practiced in hospitals, is making to health conservation and restoration.

To Open Studio

Wallace Marley, left, professional photographer, and J. C. Galusha, right, a well-known business man of Waynesville, announced yesterday their plans for opening a modern Main street business place to take care of the individual business enterprises which will be in the building now occupied by Massie Hardware Store. The announcement set March first as the tentative opening date.

To Run Book Store

A modern book store handling a complete line of office equipment, office furniture, supplies, stationery, books and music, will open about March first, it was announced yesterday by J. C. The public is invited to attend the tea and a special invitation has been issued to the members of the Haywood county home demonstration clubs throughout the county, the Haywood county officials and other groups.

The hours will be from 3 to 5 o'clock and light refreshments will be served.

Today Is Last Day To Save Lot Of Time - Money

Today is the last day to do several things—that is if you care about saving money, time and trouble.

Today is the last day to drive your car without a city tag—they cost \$1 and are on sale at the city hall. Those without a 1946 city tag will get a ticket to report to police court, which means additional costs.

Today is the last day to list your property for taxes. A penalty can be added to your tax bill if you wait longer than today to list what you had on January first.

Today is the last day to use your 1945 license tag, unless you want a patrolman or policeman to stop you on the highway. State tags are available at Canton or Sylva.

Today is going to be a busy day for a lot of folks—but quick action today can save many an extra dollar in penalties and court costs.
