

Industrial League Leaders Play Here Tonight

AWP And Dayton Meet At High School Gym At 8

Dayton Holding Second Place In Race: Has Chance To Win From Strong A.W.P.

One of the fastest and most exciting basketball games of the season is scheduled to be played at the high school gym tonight at 8:00 o'clock, when the undefeated AWP team of Asheville, meets the strong Dayton Rubber team, which is holding second place in the Industrial league.

Close observers who have seen both teams in action during the past three weeks, predict that Dayton has every advantage of defeating the league leaders tonight. During the past week, Dayton captured their league games from Enka and the Hendersonville All-Stars.

Ned Tucker, general manager of the team, reported yesterday that all his players were in tip-top condition, and were pointing to the game here tonight as a "must-be-won."

A record-breaking attendance is expected to be on hand to see the two teams that so far have won over every other team in the league.

Last night the Dayton team met the last Moore General Hospital team.

Henderson All-Stars Drop Cage Game To Dayton

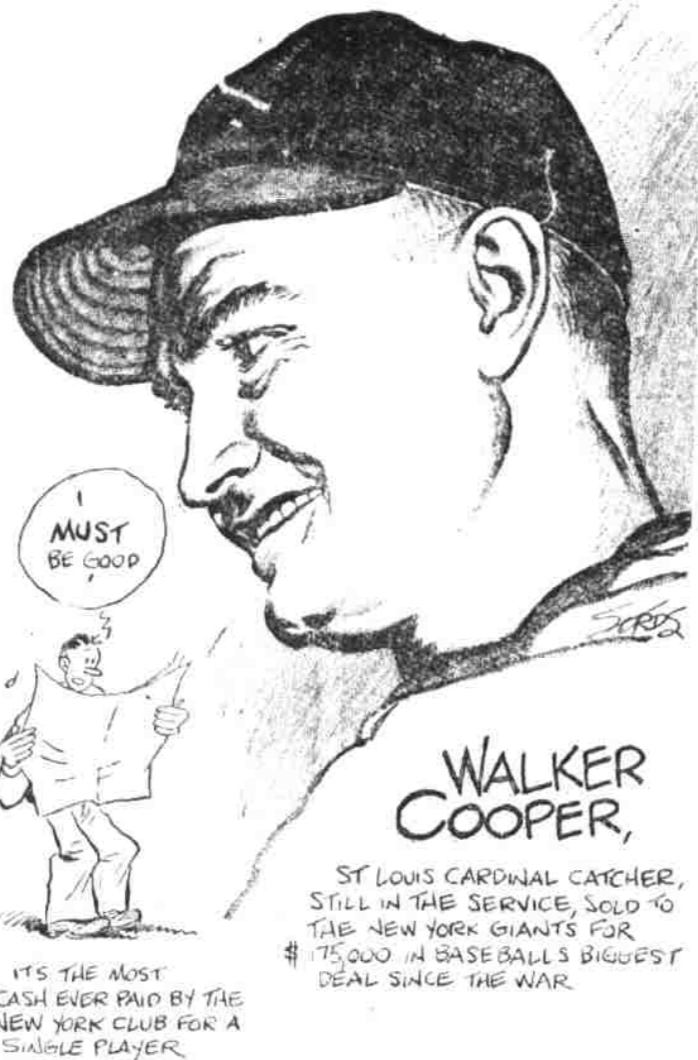

Dayton Rubber company basketball team defeated the Hendersonville All-Stars, 56 to 42, in a Western North Carolina conference game in Hendersonville Thursday night.

The lineup: Pos. Dayton (56) All-Stars (42)
F. Green Drake (13)
F. Brown (21) Williams (4)
C. Audrey (24) McCrary (9)
G. Sumner (2) Pryor (14)
G. Rogers (5) Hill (2)
Sub: Boone (4); Bagwell, Peck.

Peaches Contain Vitamin C

Peaches offer fair amounts of vitamin C and, in addition, yellow peaches offer vitamin A. Because they are naturally sweet, peaches need little sugar when canned.

Waynesville Meets Canton Here Friday Night In A Doubleheader Cage Game

All Four Teams Primed To Be At Peak Of Performances;

Two arch rivals in the gridiron and basketball court will meet Friday night on the high school gym floor when Canton Black Bear teams come here to play a doubleheader against the Waynesville Mountaineers.

All four teams are primed for the occasion, and some of the fastest basketball in years is in prospect, according to those who have seen both teams in action this season.

The teams met each other last Friday night, with a split score—Canton boys won and Waynesville girls won. That game was the beginning, and has set both teams on edge.

Coaches Weatherby and Poindexter, of Waynesville and Canton, respectively, are well pleased with their team's performances to date, and have put them through stiff workouts during the past week, smoothing up some faster plays.

Ned Davis Re-enlists In The Army; Will Serve In AAF

Ned Davis, son of Mr. and Mrs. Frank Davis, has re-enlisted in the service. He was discharged on June 30, 1945, with the rank of staff sergeant in the infantry. He re-enlisted at Fort Bragg last week in the air corps.

CARD OF THANKS

To friends and relatives: Your kindness and sympathy are more deeply appreciated than any words of thanks can ever express, during the illness and death of our beloved husband, father and grandfather.

Carl Ratcliff Resumes Post On School Faculty

Carl Ratcliff, veteran and former member of the Waynesville Township high school faculty, has resumed his work at the school and will coach the boys' basketball team, according to an announcement made yesterday by Carlott Weatherby, principal and athletic director.

Miss Margaret Perry will coach the girls' team, it was also learned from Mr. Weatherby.

Coach Ratcliff was recently discharged from the service. He is a graduate of the local high school and Western Carolina Teachers college.

At the time he entered the service he was teaching and serving as an assistant athletic coach in the local high school.

MEMO TO ADVERTISERS

Questions and Answers

about Newspaper Advertising

Q. Do you know of any measure for the value of newspaper circulation to an advertiser such as the standards that a business man uses in buying merchandise?

A. Yes. In the well-known standards that have been approved and adopted by advertisers—namely A.B.C. standards.

Q. What is A.B.C.?

A. A.B.C. stands for Audit Bureau of Circulations, a cooperative association of 2000 advertisers, advertising agencies and publishers in the United States and Canada.

Q. What is the Bureau's work?

A. To audit the circulation of newspapers and periodicals so that advertisers can buy space on the basis of definite standards and verified facts and figures.

Q. How does A.B.C. accomplish this?

A. The Bureau has a large staff of experienced auditors. These men visit the publisher members annually and make audits of their circulation records. This information is then published in A.B.C. reports for the use and protection of advertisers.

Q. What do these reports show?

A. A.B.C. reports tell how much circulation a newspaper has, where this circulation is, how it was obtained, how much people paid for it, and many other verified facts that advertisers should know when they buy advertising.

Q. Are all publications eligible for A.B.C. membership?

A. No. Only those with paid circulation. This is important to advertisers because it is the best proof of interest and purchasing power on the part of the readers.

Q. Is this newspaper a member of the Audit Bureau of Circulations?

A. Yes. We are proud of our circulation and we want our advertisers to know just what they get for their money when they advertise in our columns. The audited information in our A.B.C. report gives them the complete facts.
