## Five Haywood Teams In New Enka Cage Tourney

Girls and boys teams from Bethel and Fines Creek high schools and the boys team from Clyde will represent Haywood county in the first annual American Enka Invitational basketball tournament for high school teams. Action in the tourney, which will be staged at the spacious Enka gym, will get underway on Wednesday afternoon, March 6 and continue for four days.

Thirteen boys teams and twelve girls teams from high schools in Buncombe, Haywood and Henderson counties are entered in the new sports event at the huge rayon-producing plant. The strongest teams from sections in which the majority of Enka's nearly 5,000 employees reside were picked for the game meet.

Nine first-round games will open the tourney on Wednesday at one o'clock. Eight quarter-final contests will be reeled off Thursday starting at two o'clock. The semi-finals will be played on Friday night beginning at seven o'clock and the finals on Saturday will commence at seven. Following the presentation of awards to the championship teams on Saturday night, the company is sponsoring a square dance in the gym for all.

Gold trophies will be awarded the championship girls and boys teams. Silver trophies will go to the second-place teams in both divisions and miniature basketballs will be presented to members of the four high ranking aggregations.

The committee directing the tournament is composed of: Zeno Wall, Jr., Wilson Ayers, Robert B. Justice, Fred H. Platt and Guy A. Connelly. Tournament referees will be Mitchell Gaddy, N. L. Lovingood, Tommy Tweed, Landry Thrash, Dick Gudger and Vincent Cooper.
