National Beta Is Established At Fines Creek

According to F. L. Safford, plans were made on Wednesday, October 30th at the Fines Creek High school for establishing a local chapter of the National Beta club...

The National Beta club has approximately 1200 chapters and over 25,000 active members in sixteen states. It is now in its thirteenth year and has been in continuous operation since 1933. This club is a non-sect, leadership service organization having the following objectives: to encourage effort, to promote character, to stimulate achievement among its members, and to encourage and assist students to continue their education after high-school graduation.

Mrs. Ned Clark, teacher of English, was appointed as faculty sponsor for the local chapter and Miss Mary Grey Walker, daughter of Mr. and Mrs. G. H. Walker, was elected temporary secretary-treasurer. Permanent officers for this year will be chosen after installation meeting to be held at an early date. A special program is being planned for this occasion.

The organization will be composed of the following students who have fulfilled the requirements necessary for membership in the National Beta Club: Peggy Anne Noland, Bonnie Anne Walker, Edna Haynes, Maggie Davis, Blanche Lowe, Mary Grey Walker, Iva Lee Messer, and Doris Rathbone.

Christmas Trade Forecast Is Heavy

WASHINGTON (AP)—Government officials have generally predicted a Christmas sales volume perhaps 10 per cent greater, in terms of actual goods wrapped and pushed across the counter, than in last year's record holiday buying.

In terms of dollars, some economists of the Federal Reserve Board, which keeps the tally on department store sales, believe the peak will be 20 to 25 per cent higher than a year ago. Price increases account for much of the extra jingle in the cash register.

The new peak is foreseen despite this fall's slowdown in department store sales, which earlier in the year were running nearly 30 per cent above 1945. Few officials cared to predict, however, whether sales would keep rolling after Christmas in the phenomenal volume that led up to last Easter.

PLANE AND CAR COLLIDE

Roberts Nabs Two Escapees Monday

Two escaped prisoners from the Franklin jail, James E. "Blackie" Ward and David Gaddis, now are lodged in the Haywood county jail where they were placed early Monday morning when recaptured by Patrolman O. R. Roberts. The capture was made near the highway at Addie (Jackson county), where the patrolman saw them walking down with little trouble.

Ward, of Asheville, had been imprisoned for violating the prohibition law. Gaddis was serving a term for stealing an automobile in Waynesville, which is his home town. The two had broken jail Sunday morning. According to Patrolman Roberts, it is expected that Ward will be held until taken by the U. S. Marshall, and that Gaddis will be returned shortly to Franklin.
