

Waynesville Aerials Defeat Blues 25 to 6

Teaches Winning Ball

COACH BILL MURRAY, of Delaware, explains a play to his four backfield starters, left to right, Fred Sporato, Jim Buchanan, Paul Hart and Gerald Doherty.

during the game, made one of his four pass interceptions early in the third period to set up the third marker. Catching the ball on Asheville's 35 yard stripe, he raced back 34 yards before being brought down, then hit right tackle for the touchdown.

Later, after driving from the 50 into scoring position, Robinson tossed a pass to Messer on the goal line who connected for the score. Minett bucked the line for the extra point.

Asheville School's center, Doak, and halfback, Merica turned in stalwart defensive roles. Heppenstall and Fagerburg were more potent on the offense. After Merica recovered a Waynesville fumble on the Blue 32 early in the game, Heppenstall tossed to Fagerburg on the 50 and he blasted down to the 15. They drove down to the one, and Heppenstall hit center for their lone touchdown.

Standing out in the Mountaineer defense were Morrison and Phillips in the line, with Robinson and Grahl taking care of the long passes. Heppenstall resorted to trying to get the Asheville offense rolling. The entire Waynesville forward wall provided the blocking that made their complicated style of attack click like a well-oiled clock; especially against a team as well drilled in the game as their opponents.

Large Bear Brought In By Hunters Thursday

Killed In Cove Near Max Patch After Short Hunt Thursday Morning

Hunters in the Max Patch section brought down one of the largest bears taken this year in Haywood county Thursday morning. The party of 15 men and 11 hounds jumped the big fellow in Roberts Gap, and got him a few minutes later, about 10 o'clock.

Carl Rathbone fired the first shot into the large animal, and Oliver Rathbone added the fatal bullets. When brought to Waynesville and weighed, the bear pulled down 500 pounds.

A smaller, 300-pound bear was taken by the same group of hunters Tuesday near Crabtree.

Included on the hunt, other than the two persons already named, were F. R. Houston, DeWitt Rathbone, William Parton, Arthur Rathbone, J. F. Plemons, Arthur Lewis, Floyd Miller, Willard Setzer, Alanzo and Vester McGaha, Ethan Evans, Jarvis Rathbone and Rufus Sutton.

BULLET HITS ROCK: ROCK RIPS RABBIT

SEMINOLE, Okla.—Ben Hines not only produced evidence—he also had witnesses to prove his hunting story.

Hines says he shot at a rabbit with a rifle and missed but the bullet struck a rock. The rock then hit the rabbit, breaking its back.

In addition to corroboration from hunting companions, Hines produced the rock, with a patch of rabbit hair securely stuck on its surface.

Waynesville Players On Catamount Squad

Front row, from left to right, Swift, trainer; Fie, halfback; Yount, halfback (tied for fourth place in scoring in North State conference); Harris, halfback; Constance, center and alternate co-captain; Arrington, fullback. Back row, left to right, Collins, guard; Henry, quarterback; Jaynes, tackle; Allison, end; and Clark, tackle.

Dayton Plans Two Cage Squads From Plant This Year

Dayton Rubber company plans two basketball teams this year, one for girls as well as men, according to Ned Tucker, personnel manager at the plant.

The teams are expected to be organized and ready to play before the end of November, but Mr. Tucker emphasizes that there are several problems yet to be worked out before all plans are completed.

Last year Dayton put out a men's team that was one of the best in the Western North Carolina league, entering the finals in the Four-State tournament held during March in Asheville. It is being considered now to limit membership on the team to employees of Dayton, and should this policy be adopted the available talent would be less than was on last year's squad.

Selecting managers for the two teams, entering leagues, securing suitable practice and playing courts, and getting uniforms are some of the details to be worked out in the next few weeks, states Mr. Tucker.

Waynesville Heads List Of N. C. Grid Winners

In a comparison of high school football records throughout North Carolina, the Greenboro Daily News published in their November 7th edition the fact that Waynesville prior to the Asheville School game was the highest ranking team in the state.

Only one other team, Mt. Airy, had played eight games without defeat or tie, and the Mountaineers led Mt. Airy in the number of points scored and had fewer points scored on them by their opponents. There were 12 teams in the unbeaten class, including such powers as High Point and Morganton, but other than the top two elevens, the others had played only seven games.

Canton was at the top of the teams having sustained two defeats out of nine games, and Bryson City, next opponent of the Mountaineers, was shown to have a record of one win, three ties, and three losses. At the bottom of the list stood Asheville High, seven

Black Bears Take 32-12 Win Over Greenies

Canton Takes 8th Victory Of Year In Game Saturday

Canton rolled over Christ School in their Saturday afternoon game at Arden 32 to 12, with Clyde Miller and Ted Stiles accounting for two each of the Black Bear touchdowns.

Coach C. C. Poindexter's team added two touchdowns early in the game, when the team was filled with substitutes and the Greenies retaliated with two quick scores of their own. With their regulars back in, Canton soon got the game in hand and scored their eighth win of the season.

Friday night the Bears play at Reidsville, one of the high school powers in North Carolina. The team will leave Thursday by bus, and on Saturday will be guests of the Canton High School Athletic Association for the Wake Forest-Carolina game.

Comparative records for four teams in the top bracket are as follows:

| Team | W | L | T | Pts. | Opps. |
|-------------|---|---|---|------|-------|
| Waynesville | 8 | 0 | 0 | 278 | 31 |
| Mt. Airy | 8 | 0 | 0 | 262 | 49 |
| High Point | 7 | 0 | 0 | 139 | 27 |
| Morganton | 7 | 0 | 0 | 136 | 31 |

SATURDAY was probably the most successful night the Mountaineers have had with their passing, completing 10 of 17 tosses for 157 yards and two touchdowns.

One good feature of their aerial attack is that the talent for both throwing and catching is not confined to any two or three players, although some do have a better average than the others. This makes it more difficult for the opposition to stop, for they can't tell whom to concentrate on. On the whole, Coach Weatherby had rather have his team stick to ground plays where there is less chance of interceptions, but does not hold them back from using the airways when the so-called razzle-dazzle type of playing is clicking.

ONE good feature of the game was the small amount of penalties. A couple were refused in the face of better gains on the plays, but for the records there was only one on each team. This, incidentally, was the third time Waynesville has come from behind to win a game. Elizabethon and Murphy having scored first in previous games. Heppenstall was the first drop-kick placement artist seen here this year, but like Shook on his place kicks, was having a bad night Saturday.

ARMY and Notre Dame were just too powerful for each other.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging headache, persistent dizziness, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feeling tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbances.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.
