plorer and conquistador, died in That is one of the reasons why he appeared on radio's Gangbuster mogram after retirement from the olice department. He said he unfed to be able to reach the outh of the nation,

Here are some tips he wanted me to give to teen-agers. It was e of the last bit of advice he

offered before his recent death: 1. Attend religious services at least once a week. Join in your church's club activities.

your parents. Remember they have learned by experience and have your interest at heart. 3. Keep sensible hours, im-

prove your body with proper nutrition and your mind with good literature. 4. No matter how hard you

have to work for it, plan at least two years of high school educa-5. Never mingle or befriend questionable characters, espe-

cially if you know them to be

offenders of the law. 6. Never flaunt disrespect of a police officer under any conditions, even if you feel justified. You will have your say - to prove you are right - at the proper time. Mockery of a police officer or the law will gain you no good, and will cause unwar-

ranted and antagonistic prac-

tices. 7. Be a good citizen and refrain from defacing, marking or injuring any person or property. It is just such trivialities that can bring you in conflict with the law.

8. Don't be a so-called "drug-store cowboy" or "cowgirl." In public hangouts, remember two is company, three or four is a

9. Never congregate in "shady" appearing club rooms where the atmosphere is conductive to wrong thinking and place for crime.

10. Never try to make "easy money" by betting on horses, pin ball games, numbers or other socalled games of chance which are primers for gambling

There tips may not apply to all of the heps you know. I'm sure don't let the gang tear up the carnost of them are pretty sensible, pet or cigarette-burn the tables, But even if just a few profit, by help with the family chores: try reading them much has been gain- to be neater; study like mad and
