

## Canton To Vote July 8 On Recreational Park \$150,000 Bond Issue

A special election will be held in Canton on July 8 to decide whether \$150,000 in bonds shall be issued for the purpose of establishing a city recreation park. Monday night the Canton town board unanimously approved the election, which had been requested by a petition circulated in the community and bearing the names of 900 residents.

Plans tentatively are to develop the playground facilities of the city between the high school and Pigeon river, including a modern swimming pool in the equipment.

The project, according to the resolution adopted by the board, will result in an additional tax levy of not less than three cents nor more than 10 cents on each \$100 assessed valuation.

The resolution, as adopted by Aldermen Clyde R. Hoey, Jr., Roy H. Patton and Albert B. Robinson, follows:

"A special election is hereby called to be held on the eighth day of July, 1947, to vote on the question: 'Whether \$150,000 of bonds of the town shall be issued, pursuant to chapter 1052 of the laws of 1945, for the purpose of acquiring lands for parks, playgrounds and buildings, and the improvement thereof, and for equipping the same; and a tax be levied for the payment thereof; and (2) whether a supervised recreational system shall be provided, established and maintained and conducted, pursuant to the said statute, and an annual tax be levied therefor of not less than 3 cents nor more than 10 cents on each \$100 of assessed valuation of the property within the town.'

### Government Seeking To Recover Insurance Paid For Sailor Still Alive

GREENSBORO (AP)—Action was brought in United States District court today against Mrs. Naomi Hoag of Guilford county, to whom the Maritime War Emergency board allegedly paid \$5,000 life insurance on her husband when the husband, Harold Austin Hoag, was not in reality dead.

According to the complaint, the maritime vessel American Leader, on which Hoag served, was lost at sea on December 15, 1942, and a certificate of death was issued on Hoag. Mrs. Hoag was paid life and injury policy which her husband carried.

Later, the complaint continued, it was found that Hoag was living and on October 7, 1943, a certificate was issued correcting his presumed death certificate. The government is now attempting to recover the \$5,000 paid Mrs. Hoag.

Almost 20 million American homes have no central heating plants.

We're trying to make a list of people who would be interested in joining with other people in our Celebration of 100 years of American Stamps to be May 17-25. Stamp books are very popular at the moment—just try to find one—our boys are really using them.

### MEMORIAL BOOKS

Books have recently been placed in our library in memory of Dr. J. H. Clo, Ensign Zeb Walton Curtis, Jr., Mrs. John LeRoy Davis, Mr. Ernest J. Hyatt, Mr. D. M. Killian and Mr. James D. Tsvoglou.

The book memorials idea was inaugurated here by the Waynesville Book club. Since its inauguration, 37 lovely books have been presented as living memorials for friends and loved ones. A special bookplate is placed in each memorial book and the library sends an appropriate card to the family of the deceased to inform them of the establishment of the memorial. Special care is taken in choosing books and in most cases they have been suited to the interests of those being remembered.

If you would like to add a book to this collection, Miss Johnston or Mrs. Atkins will help you in the selection.

### Gifts

Each month a few of the friends of the library, so to speak, send

us books. The library needs these gifts for we are, in Haywood county, below the state average in the number of books we own. Did you know that the North Carolina Library Commission is at present loaning us around 3,000 books to help us meet our demands? Yes, we need books and our special thanks go to Dr. Stuart Roberson, Miss Elizabeth Glosser, Mrs. J. H. Clo, Dr. Bernard Raymond, Mrs.

## Highway Patrol Will Conduct Two Schools This Year

RALEIGH (AP)—The State Highway Patrol plans to conduct two separate training schools at Chapel Hill this summer to select the 210 new patrolmen authorized by the recent legislature.

Col. H. J. Hatcher, patrol commander, said it is hoped to graduate around 250 men from the two schools, thus allowing 40 replacements after the 210 new posts have been filled. With around 400 applications at

ready on file, Hatcher said the Patrol hopes to enroll around 200 men in each of the two schools, the first of which will begin in June. The call for applications, first sounded two weeks ago, is expected to produce considerably more than the 400 already received. The men will be chosen for the training schools after being investigated, interviewed and passed upon by patrolmen in their home

districts. Eleven men now are on the patrol waiting list as a result of the six-week school at Chapel Hill last fall. There are now two vacancies. Hatcher said the 11 men will be assigned to work in July, when the increase in patrol strength becomes effective. The patrol now has an authorized strength of 213 officers and men. The figure was increased to

401 by the present law. The additional 210 officers authorized by the present law have not yet been assigned. There were 56 years' training schools held since 1942.
