DAVID LORD contemplating.

mill, with perhaps a screenplay in process on the side. Few along Radio Row thought he would ever abandon the hectic life. But Lord explained it this way,

in an interview: I went into radio because I are too many ulcers in that busi-

When I came back from Army service. I realized I wanted a little more orderly, more serious life, And so I look upon this first novel as personally symbolic, I don't believe I ever had any real temperamental capacity for the complex pattern on which Hollywood careers are cut."

Writes About Mexicans

Lord's book is about simple people, residents of a small town n Durango, Mexico. He has put into it their troubles, joys, loves and, of necessity, something of their hates, too.

It has been said of Lord that he writes about Mexico more as Mexican than as an American. But Lord was born in Los Angeles. Except for periods of residence

It is the artist's idea of a conference of notable inventors and industrial pioneers.

Among those in the picture are Cyrus Hall McCormick, Charles Goodyear, Samuel Morse, Samuel Colt. Robert Hoe and 14 other notables of their time.

Gravy Spot

Thickened gravy which has dried on the cloth should be scraped off with a dull knife. Then sponge the spot with cold or lukewarm water. If a grease spot remains after the fabric dries, sponge with a grease solvent, rubbing gently between the hands. Then wash in warm suds and rinse.
