

“Well Worth Looking Into---” THE PRINTING SERVICE of THE MOUNTAINEER

One of The Largest and
Most Modern Printing
Plants in
Western North Carolina

In recent months the printing department of The Mountaineer has been largely increased in size, and new equipment added. A larger stock room, and every facility for handling all forms of printing in the most economical manner, and yet to produce it at high standards.

No matter what your printing needs, you will be glad you got The Mountaineer to do it for you. Consult us on any job, no matter how small, or how large.

- **NEW TYPE FOR EVERY JOB**
Brand new type is manufactured for every job. Modern machines are used for making all type and rules to assure the clearest, and best in printing.
- **7 PRESSES IN PLANT**
The seven presses in the plant of The Mountaineer are of different design, which gives variety for the best type of printing as each job may require.
- **LARGE STOCK OF PAPERS**
Thousands of pounds of papers are kept on hand, in order to have available at all times, the needs of our customers. For example, something like 100,000 envelopes is a normal stock.

“Printing that Satisfies - It Costs No More”

YOUR NEEDS CAN
BE HANDLED BY
