interesting fact to note in Waynesville High School Senior is that there are about

eight married members. This is indeed something for the class to be proud of.

And, they all seem to be happily married.

Mary Brendle McClure says, "I wouldn't advise girls to get married before they finish high school but I would advise those who marry before finishing school to finish. I find it interesting to keep house and go to school."

Phyllis Morrow Medford says, "You don't go out every night and you can stay home and get your lessons together." Phyllis and Johnny both are seniors this year at the high school.

All the girls have their rings. Most of them have their diamonds, too.

Canasta seems to be just the thing for a good get-together these days. Stanford Masse wanted to get a group of his friends together so, he had a Canasta party. Everyone said they had a grand time.

## Magician To Give Performances For Lions Clinic

Magician James W. Wear will present "The Great Wear Wonder Show" in two performances at the Waynesville Township High School March 9 under the sponsorship of the Waynesville Lions Club.

Johnny Cuddeback, who is handling the arrangements for the club, said in the announcement today that the show was being presented to raise funds for the Lions' eye clinic, scheduled to open on Wednesday.

The first show will be presented at the Auditorium at 1:45 p.m., with the curtain scheduled to go up in the evening performance at 8 p.m., and each will be different from the other.

Mr. Wear and his troupe have given performances in other sections of the nation for the last 12 years, but this will be their first appearance in this area.

They recently wound up a two-year tour of the West Coast that included performances in Hollywood before more than 5,000 people who witnessed Wear's "Miracles in the Modern Manner."

The two-hour program features Wear's feats of escape, his attempt to shoot through a girl, and the "Floating Lady." "The Garden of Flowers," and many other attractions.

In brief, the show contains a balanced mixture of Chinese tortures, Arabian fantasies, and plain American comedy and humor.

The admission prices for the afternoon performance will be 25 cents for children and 50 cents for adults, while the night show tickets will cost 40 cents and 75 cents including tax.

## Sawmills Come Under Wage-Hour Law, Says Shuford

The new "forestry or logging" operations exemption under the Federal Wage and Hour Law is an exemption from the law's minimum wage and overtime provisions, but not an exemption from the law's child labor provisions.

This fact was emphasized today in a special statement received from Forrest H. Shuford, North Carolina Commissioner of Labor, who administers the Wage-Hour Law in this State under a special agreement with the Federal Wage and Hour Administration.

In his statement Shuford explained that most sawmilling and lumbering operations in North Carolina are covered by the Wage and Hour Law which, following the amendments which became effective on January 25, requires payment of at least 75 cents an hour to all covered workers and time-

and-a-half pay for hours worked in excess of 40 per week.

"The provisions of this Federal Law apply to all establishments which are covered," Commissioner Shuford said. "Sawmills and lumbering establishments which produce or process materials which eventually move in interstate commerce are covered. It has been our experience that this law covers the great majority of sawmill and lumbering operations throughout the State. In cases where the product is sold to another party who, in turn, sells it out of the State either directly or after it has undergone further processing, then the original sawmill or lumbering establishment also is covered by the Wage and Hour Law."

Dried beans should be cooked in the water in which they are soaked to save valuable vitamins and minerals.

## W. Pigeon 4-H Club Organized At Bethel Friday

By MRS. HOWARD SMATHERS (Mountaineer Correspondent)

The West Pigeon Community Development Club last Friday afternoon organized a 4-H Club, during a meeting at the home of Mr. and Mrs. Jack McCracken.

Buddy Mull was elected president; Gerald Owen, first vice-president; Annette Sheffield, second vice-president; Joan McCracken, secretary; Patsy McCracken, treasurer; Peggy Ann Peeke, reporter; Patsy Fore, song leader; Peggy Ann Peeke, head of the refreshment committee; and Neal Kelly and Billy Terrell, recreation leaders.

The work of the 4-H Club was explained and discussed, and a contest started in a drive for new members.

The boys and girls will work in two teams, with the winning team to be treated by the loser.

The contest will continue until April.

The regular meetings will be held immediately after classes end every fourth Friday.

The next meeting also will be held at the home of Mr. and Mrs. McCracken, who are the 4-H leaders.

The following are the charter members of the club: Neal Kelly, Joan and Patsy McCracken, Gerald Owen, Max Shepherd, Annette, and Jeanette Sheffield, Billy Terrell, Pauline Shepherd, Emma Jo Gibson, Jackie Gibson, Alice Vance, Edwin Mann, Linda Vance, T. L. Riddle, David Vance, Martha Sue Plemons, Patsy Fore, Buddy Mull, Billy Dietz, Tommy Owen, Peggy Ann Peeke, Helen McCracken, Doris Hyatt, R. E. Cathey, Kenneth Lowe, Annie Sue Gibson, and Barbara Riddle.

## The Haywood High School Student of the Week

By ANNE BISCHOFF

Today we have another outstanding student from Waynesville High School, Coretta Henson, a senior at W. T. H. S. this year, and daughter of Mr. and Mrs. J. J. Henson of Waynesville.

Coretta's ambition is to be a teacher of English and Bible and she is sure getting a good beginning.

She is treasurer of the senior class, and the high school chorus; a member of the Student Music Council and Student Council; a very active member of the Masque and Gavel Society and the Speech class.

Coretta is a member of the Waynesville Presbyterian Church. She sings second alto in the church choir and also in the high school chorus; and is President of the Presbyterian Youth Fellowship.

Besides being so active in clubs and church, she enters into many activities at school.

She was a candidate for the D. A. R. Scrapbook this year. Last year she entered the girls speaking contest. She has had a leading role in several plays given by the speech class, and shows high dramatic ability.

Coretta thinks, "Waynesville High School is one of the best high schools in the state and any student that has a desire to learn can learn with the help of the outstanding faculty and officials there."

Coretta has bright plans for the future. She plans to attend Montreat or Kings College to major in English and minor in Bible, and with the initiative, courage, and

personality she has, she will have little trouble in reaching her goal.

## Founders' Day Observed By Bethel P-TA

By MRS. HOWARD SMATHERS (Mountaineer Correspondent)

Approximately 100 men, women, and children witnessed the Founders' Day program that featured the meeting of the Bethel Parent-Teachers Association at the Bethel School auditorium recently.

Taking part in it were Miss Bernice McElhannon, Mr. Bailey, Miss J. Curto, and Mrs. Bill Lindau, and Miss Babe Medford's Elementary School Glee Club gave a special musical program.

The members of the Association voted to send \$10 to Chicago to help finance the building of a National P-TA headquarters.

Also discussed were plans for a Parents vs Teachers basketball game, with the contest scheduled for 7:30 p.m. Friday in the high school gym.

The box office receipts from the game will be used to pave the outdoor play courts for the elementary school children.

Following the business session and program, a social hour was held in the school lunchroom.

## Haywood Seaman On Aircraft Carrier

Fred F. Stepp, seaman, USN, of Route 1, is attached to the Navy's "hunter-killer" escort aircraft carrier USS Badoeng Strait, operating in Southern California waters.

The Badoeng Strait engages in frequent anti-submarine warfare training cruises with the ship's air units.
