## Hot Cross Buns For Lent

**BUTTERSCOTCH BUNS** ... Cut the dough with string.

By CECILY BROWNSTONE  
Associated Press Food Editor

Of course your family will want hot cross buns a good many times before the Lenten season is over. Here's an easy way of making them from a "beaten batter". Once they're out of the oven mix confectioner's sugar with a little hot water, flavor with vanilla, and mark a cross on each bun.

**HOT CROSS BUNS**

**Ingredients:** 1 package yeast, 1/4 cup lukewarm water, 1 cup milk, 1/2 cup sugar, 2 teaspoons salt, 1/4 cup shortening, 1/2 teaspoon nutmeg, 1/2 teaspoon cinnamon, 3/4 cup sifted enriched flour, 2 eggs, 1 cup currants.

**Method:** Soften yeast in lukewarm water. Scald milk and add sugar, salt, and shortening. Cool to lukewarm. Add 1 cup of the flour, nutmeg and cinnamon. Beat well. Add softened yeast and eggs, and again beat well. Add remaining flour to make a thick batter. Beat thoroughly until smooth. Cover and let rise until doubled (about 1 hour). When light, stir down. Add currants. Drop by spoonfuls into greased 2-inch muffin pans, filling one-half full. Let rise until doubled (about 45 minutes). Bake in a moderate (375° F.) oven about 20 minutes. Make about 30 hot cross buns.

...strong enough so it won't break—and place it under the rectangular roll of dough one inch from the end. Then tie it in a knot and pull to cut the dough in a slice. Repeat until the dough is used up.

**BUTTERSCOTCH BUNS**

**Ingredients:** 2 cups sifted all-purpose flour, 2 1/2 teaspoons double-acting baking powder, 3/4 teaspoon salt, 4 tablespoons butter or other shortening, 3/4 cup milk (about), 2 tablespoons butter or margarine, 1/3 cup brown sugar (firmly packed), 1 tablespoon water, 2 tablespoons brown sugar, 1/2 cup broken walnut or pecan meats.

**Method:** Sift flour, baking powder and salt together. Cut in 4 tablespoons butter or other shortening; add milk and stir until soft dough is formed. Turn out on lightly floured board or prepared pastry cloth and knead 30 seconds, or enough to shape. Roll into 12x10 inch rectangle, 1/4-inch thick. Cream together 2 tablespoons butter or margarine and 1/3 cup brown sugar and spread on dough. Roll as for jelly roll and cut in 1-inch slices. Melt 1 tablespoon butter or margarine in 8x8 1/2-inch pan; add water and 2 tablespoons brown sugar. Cook over low heat until mixture bubbles, stirring constantly. Remove from heat and sprinkle nutmeats over. Place rolls in pan, cut side down. Bake in hot (400° F.) oven 40 minutes, or until done. Remove at once from pan. Makes 10 to 12 rolls.
