### THE RESURRECTION OF OUR SAVIOR

Jesus said to his disciples Will you watch, I'm going to pray No they never watched with Jesus They went to sleep when he went away.

He came back and found them sleeping Woke up Peter, then he said Could you not watch with me one hour This awful death I surely dread.

Then they tried our blessed Savior No one else could take his place They beat him, they accused him And they spit upon his face.

For thirty pieces of silver Judas betrayed our blessed King Can't you picture our dear Savior Suffering agony and pain.

A crown of thorns they platted And placed upon his brow They stripped him and they smote him In mockery they did bow.

Then came along a Roman soldier And he pierced our Savior's side From which flowed the healing waters And the precious cleansing tide.

Then Joseph begged his body Placed it in the tomb so neat Then they placed the guards around him Even at his head and feet.

Then there came a shining angel And he rolled the stone away Then our Savior rose victorious On that happy Easter day.

Then poor Mary, she came weeping To the place where Jesus lay But her precious Son had risen She only found the empty clay.

Composed by— Mrs. Clarence Gaddis

### UNLIMITED EXPENSIVE HOSPITAL "EXTRAS"

Comprehensive BLUE CROSS and BLUE SHIELD Service Memberships, available officially in North Carolina only by Hospital Saving at Chapel Hill, provides a \$5.00 private or semi-private room allowance or ward bed regardless of cost. UNLIMITED COVERAGE of expensive hospital "extras"—the most expensive part of any hospital bill today—and a choice of a \$100.00 or \$150.00 surgical schedule. Hospital Saving health-service protection memberships are available to you, your employees and their dependents at LOW GROUP RATES—sensible benefits and sensible rates.

### 1 OUT OF 10 WILL GO TO THE HOSPITAL IN 1950

With the cost of hospital and surgical care more than double what it was in 1941, you and your employees need the complete service protection of Hospital Saving at Chapel Hill. BLUE CROSS and BLUE SHIELD of your Hospital Saving Association is a tested voluntary program—the American Way. Hospital Saving, proud of its public service over the past 14 years, now protects over 400,000 North Carolinians through group participation or non-group enrollment where members are not eligible for group memberships.

### 17 MILLION DOLLARS PAID FOR TAR HEELS

Hospital Saving has paid over 17 million dollars in hospital and surgical claims over the past 14 years. It is currently paying over 4 million dollars a year in claims for its members. Payments are made direct to the hospitals and surgeons as another service feature of Hospital Saving to relieve unnecessary red tape. The Association, as a truly nonprofit service organization, pays out almost all of its income for benefits to subscribers. This takes profit out of health service.

### 3-WAY PARTNERSHIP COMMUNITY HEALTH

The health-service question is of vital concern today to all North Carolina business, as well as the public. Hospital Saving at Chapel Hill presents the three-way partnerships of hospitals, doctors and business leaders throughout the State, joined together through a democratic Board of Trustees, representing each of the three groups equally. This is the American way—in line with North Carolina procedure of providing community service for the people. Four trustees are elected by and represent the Medical Society of the State of North Carolina; four the North Carolina Hospital Association; and these eight elect four prominent business executives to represent the lay public.
