Great Spiritual Film Coming To Park Theatre Sunday And Monday

Final arrangements have been made for the showing here of "The Prince of Peace," new \$2,500,000 Hallmark Production, in Cinescolor, that has been breaking attendance records everywhere. It was announced today by J. E. Massie, manager of the Park theatre.

This unusual, two-hour attraction is a complete unit in itself, according to Manager Massie. The breathtaking beauty of the Wichitas are the background for the powerful, moving story.

It is because "The Prince of Peace" is so tremendous in scope, so beautiful in color, so sweeping in grandeur and so human in its theme that it is breaking box-office records from coast-to-coast. Its glorious and thrilling musical score and strong sermon-on-film has caused clergymen of every faith and educators at all levels to call the film the most important motion picture ever to come out of Hollywood.

According to one critic the film makes its appearance at a time when the world needs it most. "There are people in Hell who could have been saved by this picture," he said.

"The Prince of Peace" is a movie for the entire family. Father and mother will thrill to its majestic beauty while little brother and sister will delight in the new six-year-old child star, Ginger Prince, making her first
