

# Hazelwood Meets Beacon Nine Here Saturday at 3 p.m.

## Seeking Share League Lead After Single Loss

Hazelwood will try to get back on winning track Saturday afternoon in its first home game against Beacon. The team, which dropped their season last Saturday in three games at Beacon Mills from a lead in a Western North Carolina Industrial League head-to-head contest.

Hazelwood took a 9-5 licking at Beacon Mills, after racking up wins over Enka and Hendersonville in successive weekends.

Managers Gene Grogan and Coach Ed Spence are on the mound for Hazelwood. The contest is scheduled to start at 3 p.m.

## North-South

Patricia (Pat) O'Sullivan, world Connecticut champion Orange, smiles broadly during North and South Women's Golf Tournament. Playing the finest round of golf of her career, O'Sullivan defeated Estelle Lawson Page in the final to win the 48th annual title. (AP Wirephoto).

## Palmer Wins Intercollegiate Golf

Arnold Palmer (right), of Wake Forest College, is congratulated by Harvie Ward of North Carolina after winning the Southern Intercollegiate Golf Tourney at Athens, Ga. The 20-year-old Palmer shot a 280 total for the tournament. Ward was two strokes behind with a 282. They pose with the trophy in locker room. (AP Photo)

## Ward's Esso Wins 1949-50 Bowling League Honors

The Ward's Esso bowlers are the 1949-50 champions of the Haywood County League.

They turned the trick by edging A. C. Lawrence Leather Company, 2-1, last week in the final match of the season which pitted the winners of the first half against the winners of the second half.

Ward's had taken the first half crown last fall and early winter. Lawrence had come through with the second-half title the week before.

John Caldwell of Ward's turned in the highest individual series of the evening—a 535 to show for his three games. Earl Gribble was a close second with a 524.

Ward's winning team series was 2,727, while its game of 958 was the highest turned in in the team competition.

The annual banquet tonight at the Mount Valley Inn will bring the bowlers of the Haywood County League.

## Sutton Clouts 2 Homers As Mountaineers End Losing Streak; Blast Hendersonville, 19-0

The interesting Waynesville Mountaineers, apparently tired of being kind to the opposition, cut off their losing streak in a manner that was awesome to behold.

And the victim of their righteous indignation was one of the toughest teams west of the Outer Banks. Hendersonville's Bearcats, which had beaten Canton which had beaten Waynesville twice, were blasted out of the local ball park by a barrage that produced 19 runs in the six innings the Mountaineers came to bat.

The Waynesville boys, who had given up 44 runs in their last seven games, locked the gates around home plate before the contest started.

Southpaw Jimmy Kuykendall limited the usually heavy-hitting Bearcats to five scattered hits in scoring his third victory and first shut-out of the season.

His teammates supported him with a near-perfect fielding performance and 13 hits.

Bill Sutton slammed out two homers, one with two men on in the fifth, and another with bases empty in the sixth.

Second Baseman Carroll Swanger and Outfielder Bobby Owen shared batting honors with him, each collecting two safeties in three times at bat.

One other Mountaineer blasted a homer. But he failed to touch second, on his flight around the sacks, and got credit for only a single on the scorebooks.

The Bearcats used four pitchers in their fruitless effort to stem the Waynesville tide.

The Mountaineers will close their 1950 season against this same club on May 22 at Hendersonville.

## CDP Softball Plans Drawn For Summer

Forty coaches and managers of Haywood County community softball teams last night mapped plans for the Community Development Program season this summer.

Under action taken in the Court House session, 50 boys' and girls' teams will compete in practice games, then in playoffs for the county championship.

Organizing the program similar to that set up for the winter basketball season, the officials adopted eligibility rules and decided on the sectional system for use in determining the champions.

The practice games will be staged by arrangement of the individual community team managers.

After the summer inter-community field days and farm tours end, the county will be divided into sections.

The teams will compete to decide who will represent the respective sections in the playoffs for the championship.

The managers and coaches adopted these principal eligibility rules:

- 1) Players must be bona fide residents of the community which they represent—that is, they must live within the boundaries of the community.
  - 2) There shall be no age limit for the players.
  - 3) To be eligible to compete in the sectional and final playoffs, a player must have participated in at least fifty per cent of his or her community's preliminary games.
  - 4) Coaches must turn in to the county agent's office before the playoffs a complete roster of their players and the score cards for all their community games.
- Assistant County Agent Turner Cathey explained that the rule regarding participation in the preliminary games does not mean that a man or a woman must actually play in half of these games.
- By participation is meant that the player appears in uniform on the field for his or her community games. A player will be considered as having participated in a community game if he or she is listed as a sub who actually attended the game and was ready to play.
- The coaches and managers also heard C. C. Poindexter of Canton, chairman of the county Community Development softball committee, explain and interpret the major rules governing softball.
- Mr. Poindexter, who is athletic director of Canton High School, concentrated his discussion on the situations which arise most frequently during an average game.
- No dates for the sectional or final playoffs were set during the meeting.

SALEM, Va. (UP)—A man brought before Justice R. C. Hubbard on charges of possessing non-tax paid corn liquor complained bitterly: "Your honor, that legal stuff is full of chemicals and no good for flu."

SCARES FLIES AWAY  
HALLS, Tenn. (UP)—Milton Hargrove found the best kind of flycatcher. He fastens small blobs of cotton all over his front door—and not a fly ever lands inside.

## Asheville Nips WTHS For 7th Win

The Asheville High Maroons won their seventh straight baseball game last Monday afternoon. And the Waynesville High Mountaineers lost their fifth straight.

That's what happened when the two teams got together.

A combination of Asheville hitting power and spotty Waynesville fielding were the feature items that produced the 10-0 shellacking for the Mountaineers—or the brilliant 10-0 victory for the Maroons, depending on how you look at it.

At that, it took the older, more experienced Class AA league Asheville boys five innings to really sew up the ball game.

The Mountaineers still were in striking distance when Left Felder Frank Plemmons connected for a homer that cleared the loaded sacks in the bottom of the fifth.

Right-hander Tommy Huff gave up only five hits to the Mountaineers, and Leftfielder Bill Sutton collected two of them.

Sutton knocked out a two-bagger and Catcher James Fugate connected for a triple for the Mountaineers' only extra-base knocks of the nine-inning contest.

The Maroons collected a total of nine safeties and four passes off Southpaw Jimmy Kuykendall, who fanned nine batsmen.

Huff also walked four men, and struck out 13.

A'ville 110 142 01x—10 9 2  
J. Kuykendall and Fugate; Huff and Dietz.

(Men's) League and the Waynesville Women's League together to celebrate the end of another exciting season.

That's when the best individual bowlers and the best team will get their prizes.

## Pat O'Sullivan Wins North and South Tournament
