events will begin at 10:30 and con-
tinue until noon, with cash prizes
being given the winners. Those
participating will be ages 9 to 14.
Starting at one o'clock there will
be a baseball game between the
Knee-Pants team, composed of
players from 9 to 14, in their new
uniforms. There will be two 5-in-
ning games. Sammy Lane, and Wil-
liam Chambers are in charge of the
two teams.

Starting at three o'clock, two
girls' softball teams from the
Community Development League
will play. This event is under the
direction of Turner Cathey, assist-
ant county agent.

Scheduled to begin immediately
after the girls' softball games, will
be boys' games, also from the Com-
munity Development league.

One of the highlights of the
celebration is expected to be the
musical program on the night of
July Fourth, starting at 7:30 at the
stadium. In the event of rain, the
program will be given in the school
auditorium. The program will be
musical, featuring string bands,
and singing groups from the vari-
ous Community Development units
of the county.

Mr. Prevost said that there will
be no admission charges - every-
thing is free except the rides, he
explained.

"Following a custom of many
years, there will be six modern
rides, but no gambling, or places
of chance permitted. The same
high type programs as have been
presented in the past will be fea-
tured again this year," he com-
mented.

Tentative plans are to award
valuable merchandising prizes on
Tuesday and Saturday nights. De-
tails will be announced later.

One Of The Lovely Falls Found In Western North Carolina

This is Tuckasee Falls, easily reached over Highway No. 19,
and not so far from Bryson City. This is just one of the many
spectacular falls in this section. On almost every road leading from
Waynesville, motorists can see scenes similar to this - Looking

near Soco Gap, and High Falls on Highway No. 107, south of Cul-

WANTED—AN INDIAN HEAD
We had a request recently for a
copy of the Indian Head used in
our Reading Club four years ago
—the request came from the Will
Rogers Library in Claremore, Okla.

MUSICAL RECORDINGS
One hundred musical recordings
were checked out from the Library
last month. Are you among our
music lovers who are taking ad-
vantage of this collection?
