**EVERYTHING I ATE DISAGREED WITH ME UNTIL**

I found I was suffering from nutritional deficiencies!

"I suffered with stomach trouble since 1935. Even if I ate just a little my stomach would swell and nothing ever gave me positive relief. I have taken only four bottles of HADACOL, and now I can eat anything I want and get up and go right to work. So, I can not help but praise HADACOL."

—Mr. E. Henderson, Hammond, La.

HADACOL is one of the greatest scientific contributions of the century to victims of nutritional stomach trouble. HADACOL reinforces and nourishes weak, weak body tissues and gives your system the weapons it needs to fight off such deficiencies. HADACOL has given amazing results in case after case where all hope of relief had been given up. No matter what you've tried without success—give HADACOL a chance to help you. Trial size only \$1.25 a bottle. Large family or hospital size, \$3.50.
