Four More Local Men Enlisting In Armed Forces

Relatives today reported four young Waynesville area men either have already joined or are joining the growing list of Haywood men who have volunteered for military service since war struck Korea.

Robert Russell, assistant at the Haywood County Library, and Earl Hoglen of Francis Cove, left for Charlotte today to take their physical examinations for admission to the Air Force.

Jimmy Swanger and Darwin Jordan of Hazelwood left earlier for the Charlotte recruiting station.

Darwin is the son of Mr. and Mrs. Clyde Jordan and was working as assistant manager of the A & P store here when he decided to enlist. He is a graduate of Waynesville Township High School and attended the Coyne Electrical School in Chicago.

Robert Russell, son of Mrs. Turner Russell, also is a graduate of Waynesville High School and Coyne. He was working with the library's Bookmobile until he left for Charlotte.

Earl Hoglen, a 1949 graduate of Waynesville Township High School, is the son of Mr. and Mrs. Hubert Hoglen.

In his spare time, Earl sang with the crack Haywood quartet, the Francis Cove Chord-Busters, which gave many benefit performances throughout the county during the last year.

When Russell and Hoglen pass their examinations, they will be assigned to Langley Field, Texas, for 12 to 13 weeks' basic training.

Noted Baptist Is Heard At The Lake

The Rev. Dr. E. McNeill Potel, minister of Pullen Memorial Baptist church in Raleigh, North Carolina, was the featured platform speaker at Lake Junaluska Tuesday evening, under the auspices of a south-wide District Superintendents' and Pastors' Conference, meeting July 31-Aug. 5.

Speaking on the topic, "The Open Mind," Dr. Potel said, "It is a disturbing circumstance that the men who had been closest to our Lord seemed to understand least what the significance of his death and resurrection. The first thing Jesus had to do was to open their minds."

"The closed mind," said the speaker, "is never an end in itself, though it may sometimes be a useful means. Minds are closed because their owners mistakenly think they are full. This is pride. Others are closed because they have heard a noise and slammed shut. This is fear. It is generally a word: communism, socialism, sin, judgment, etc. Others are closed because the doors are swung on hinges so lightly that any breeze will bang them shut. This is laziness."

Friday and most of Saturday, they'll take part in community activities. On Saturday night they will be guest of honor at a farewell party at the 4-H Camp. This event will start at 8 p. m.

After the party, they will go to the Waynesville Army to attend a square dance as guests of Sam Queen.

ford. She is survived by her husband, and three daughters, Gay, Joyce Ann, and Faye, all of the home; two sisters, Mrs. Eunice C. Davis, and Mrs. Junice Bell Sill, both of Waynesville.

The child is survived by the paternal grandparents, Mr. and Mrs. Milas Shuler of Addie, in addition to the father and sisters. She was a member of the Cruso fifth grade.

Immediately following the accident state highway patrolmen arrested John Marshall Bryson, 27, Canton service station operator and placed him in the Canton jail on a manslaughter charge.

Dr. J. Frank Pate, Haywood County coroner, after holding an inquest at Wells Funeral Home, said the mother and daughter came to their deaths as a result of compound fractures of the skull and other injuries.

State Highway Patrolmen H. Dayton, and W. R. Wooten, together with deputy sheriff Horace Mehaffey, gave this version of the accident.

Bryson was driving alone in the direction of Brevard along Highway No. 276.

Mrs. Shuler and her daughters were passengers in a pick-up truck driven west by Hubert Cogburn, of near Cruso. Cogburn is said to have stopped his truck on the right side of the highway. The women got out of the truck and were crossing the highway to attend a meeting at a nearby church when they were struck by Bryson's car.

The body of Mrs. Shuler was carried 106 feet from the point of impact, the officers pointed out, and the body of Willie was knocked some 90 feet. The Bryson car, the investigation officers said, traveled more than 200 feet after striking the victims.

No date has been set for a hearing.

When Russell and Hoglen pass their examinations, they will be assigned to Langley Field, Texas, for 12 to 13 weeks' basic training.

Detroit Pastor In Series Addresses At Lake Junaluska

Dr. Henry Hitt Crane, pastor of Central Methodist Church, Detroit, in the first of a series of platform addresses at Lake Junaluska under the auspices of a south-wide conference of District Superintendents and Pastors, meeting July 31-Aug. 5, portrayed the Christian Church as the heartbeat of the community and of the world.

Comparing the Church to the human heart, Dr. Crane said that just as any stoppage in the blood stream would weaken the body, so any failure of the church which is the source of life to the individual and to the social order, will hamper the purpose of God. "Nothing must be allowed to jeopardize the work of the church, for here is the spot where we get recognition of our dependence on God as the source of our being."

The total public debt of the United States, according to Twentieth Century Fund estimates which include state, local and federal debts, rose from \$60 for every person in 1913 to \$1,970 for every person in 1945.

The body was sent to Gulfport for funeral services and burial. Crawford Funeral Home was in charge of arrangements here.
