until the question is settled. Again, you quoted me as saying, "we have secured two petitions previously to this asking for an election on the question of abolishing the legal sale of wine and beer in Haywood, so I presume we can get a third set, if necessary."

Finally, I should like to make one further observation on your report of this story. I had always thought that it is an axiom among publishers and editors that "Names make news". Yet I was quite amazed to note that you did not mention the names of Sheriff R. V. Welch, Mr. Mark Ferguson, and Mr. J. M. Palmer, the gentlemen who signed the complaint and secured the restraining order on this election.

DAWYER D. GROSS, Pastor - The Clyde Baptist Church - Clyde, N. C. August 11, 1950.

Editor's note—Mr. Gross implies that we assumed a lot in the account of the restraining order. Four people who attended the hearing in official capacities were interviewed and gave the facts as published. If there is an error, we are sorry. As to the direct quotation of Rev. Mr. Gross we beg to differ with him as to weakness in statement—to us we interpret that as very strong.

WHY AMERICA NEEDS YOU

Editor the Mountaineer:

Often people hear and say such words as, well, there's nothing I can do as a lone citizen.—But they are wrong, there is something they can do.

For example, if you are guilty of hoarding you can stop. Hoarding is not only, unwise it is silly. As Secretary of Agriculture, Charles Brannan said, "It's senseless, in a country that has so much and has so large a surplus, for people to hoard." People who hoard will bring disaster on themselves as well as the nation. Hoarding will cause temporary shortages as well as make sky high prices. So for the welfare of your nation, don't hoard. America needs you to do all you can to chase out this silly fear and stop hoarding.

Of course America is facing a crisis—a great one—and it is up to us, as the people of America to overrule aggression in Korea and other nations.

It's pretty hard to take when you see your son, husband, brother, or sweetheart go off to join the armed services. But look at it this way. This thing has to be done and you are not going to be alone in your grief. Why be bitter about it? This time there is nothing you can do about it. Just let him know you are pulling for him at home. He'll feel better and so will you. America needs mothers, wives, sisters, and sweethearts to give their loved ones to their country's service.

America needs you for all the good you can do, to boost the morale, to give, and to love. America needs you to be an AMERICAN!

God will help us—if we help ourselves. Youth and adults alike need Christian guidance as America faces this hour of crisis.

America needs you, and you need America. This is what you can do to help your country.

300 Attend Field Day Event In Francis Cove

By BARBARA BEST Mountaineer Reporter

Approximately 300 people enjoyed the field day given by Francis Cove for the Upper Crabtree community, and we wish to thank the residents of Francis Cove for the delicious dinner and fine hospitality given us on that day.

The tour stopped at Mr. Boone's to see his truck crops; at Robert McCracken's to see his apple orchard; at Franklin's orchard, where the visitors saw a beautiful view of the entire community; at Hugh Massie's to see his home and fish pond; at Henry Francis's to see his home and cold storage plant; at Robert Boone's to see his poultry and livestock; and then returned to the church for lunch.

The guests had sort of an appetizer for that lunch earlier. During the visit to his orchard, Mr. Boone gave each of the guests some of his delicious, sweet apples.

After lunch, the recreation activities were held, and Francis Cove won the eating contest and boys' horse-shoe pitching. Upper Crabtree won the men's, women's, and girls' horse-shoe pitching, the family relay, blind-fold race, egg throw, tug-of-war, and both softball games.

Mr. and Mrs. Hugh Massie treated both communities to a watermelon-cutting.

ways which the communists treat our boys when they capture them, such as tying their hands behind their backs and shooting them in the face. Would you like to be ruled by a communist government? America needs you to be an AMERICAN!

God will help us—if we help ourselves. Youth and adults alike need Christian guidance as America faces this hour of crisis.

America needs you, and you need America. This is what you can do to help your country.

Social Life In Capital At Stand-Still Due To Tension Of Korean War

By Jane Eads

WASHINGTON — Capitol social life is practically at a stand-still in these days of tension over the Korean situation.

The social columns have dwindled to a mere reporting of weddings, occasional small parties for visitors and simple, rather quiet, national anniversary celebrations by foreign diplomats. It isn't that the usual party-thrivers have fled Washington. It's just that the men-folk are too busy.

"Everything has slowed down because the men work so late," one hostess put it. "What parties there are are very much on the informal side—the women in short dresses, men in uniforms."

A local society columnist surveying the "service social front" finds that contingent feeling the impact of the conflict more severely than the civilians.

Do You Know Any of these People and Their Interesting Medical Records?

As Gratefully Told To Senator Dudley J. LeBlanc— Great Statesman and Friend of the People—the Man Responsible for HADACOL—One of the Greatest Medical Contributions of the Century For Sick, Ailing Men, Women and Children Suffering Deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin... like the folks\* below:

See if Any of Your Friends Are Here From Other Towns

Mr. John McClenon, P. O. Box 8191, Los Angeles, California. "My age is 44. My trouble is stomach distress. Can't eat and when I do, it makes me feel like I'm being crushed. But HADACOL has done me more good than anything I have tried. My mother lives in Mobile, Alabama, and sent it to me. I don't think there's anything better than HADACOL, and if there is you can have it. A very thoughtful mother to send her son HADACOL. Why don't you send a bottle to a relative with this trouble?"

Mrs. Ophelia Johnson of Gulfport, Mississippi. "I'd been suffering from neuritis pains and aches and was advised to have my teeth extracted, but received no relief. I'm now on my seventh bottle of HADACOL and it's given me entire relief from the aches and pains. I'm able now to do a full day's work. The makers of such a marvelous remedy should certainly be praised."

Mrs. Virgie Finley, Route No. 1, Monterey, Tennessee. "I was weak and run-down so that I could hardly sleep any, and was so nervous I could hardly do my housework. My stomach had so much gas on it that everything I ate seemed to hurt me. I had tried all kinds of medicine and nothing seemed to help me. I started taking HADACOL a few weeks ago and believe me it surely has helped me. Now I can eat anything and am sleeping well at night. I cannot praise HADACOL enough and I have taken only 4 bottles." (Mrs. Finley is a wise woman. She knows continued use of HADACOL prevents such distress from returning.)

Mrs. George F. Toft of Poplar Bluff, Missouri. "I am 57 years old and I have started on the third bottle of HADACOL. I never have taken a medicine that helped me like HADACOL. I don't have the neuritis aches or pains since I took the first bottle. I was so nervous, I had pains in my back, legs and arms, I couldn't work. Now I feel good and go all the time to work." (HADACOL gives such wonderful results because it treats the cause of such deficiencies.)

Mr. Harry W. Smith, 10 North Water Street, Harrisburg, Illinois. "I am 41 years old, and I work at a Strip Mine. I have been bothered with aches and pains of neuritis and feel sleepy all the time, but my wife heard your broadcast on the radio about HADACOL. So I bought a trial size and it has helped me so wonderfully that I buy the large family size now. I can't begin to describe how I would feel if I couldn't buy it at all. I want everybody who feels bad to know about it!"

Alex J. Anderson, Route No. 1, Greenville, Florida, a very bright youngster. "I am ten years old. I've always been puny. I never have eaten or played like my brothers. I've been taking HADACOL for a while, now feel better, play more and like to go to school. HADACOL is really a good medicine." (Just leave it to the youngsters to find out what's good for them!)

Mr. Robert C. Stuart, Barber Inn, Abingdon, Virginia. "I am working in the capacity of Health Inspector for the State of Virginia and have for the past two years suffered heartburn and a form of stomach distress. I have had no appetite and have tried various medicines spending many hundreds of dollars for treatment and aid. I have not found any relief in anything or any treatment until I tried your remarkable HADACOL, which I praise with the highest regard. Now I eat three large meals a day without any pains or discomfort. I have gained 15 lbs. since the 15th of December—never felt better in all my life. I am now taking an active part in civic and extra-curricular activities which I had to ignore since last December. I have worked zealously. Thanks to your remarkable HADACOL."

Mrs. John R. Grazier, Jr., 4903 B. Chaparral, Dallas, Texas. "In writing you to let you know just what HADACOL has done for me. I was feeling bad—had headaches, lost my appetite—so my mother advised me to get HADACOL and try it. My baby is only 2 1/2 months old and it sure has helped me. I've taken only one bottle and it has done wonders. My husband is taking it now too, and he surely feels better, and not so tired after a day's work. I recommend HADACOL to everyone who needs a tonic, and it surely will make you feel better. I hope this will help someone to feel better by reading or hearing this information."

Mrs. Helen Barron of Meansville, Georgia. "My little boy had been sick for quite some time. Until I heard about HADACOL over the radio, he was weak, run-down, and apt to catch anything—he couldn't run and play like other boys did, and he wouldn't eat anything. So I can't praise HADACOL enough. He has taken 4 bottles and eats anything, and sleeps good, isn't tired when he gets up, runs and plays as much as anyone, has gained weight, and feels good. I have taken some myself. He is 11 years old now. I can tell enough about what HADACOL has done for my son. He even looks better. I want all my friends to try HADACOL."

Mrs. L. L. Martin, 4207 Woodhull Street, Houston 6, Texas. "I am sixty years old. For the past few months I have been suffering from almost constant heartburn and a heavy feeling in my chest. I had read about HADACOL in the papers but as I take care of all the expenses at home, I just couldn't buy any. Three weeks ago, my son in Kansas sent me \$5, telling me it was not for groceries but to please buy something for myself with it. I bought four bottles of HADACOL at \$1.25 a bottle. After the first few doses of HADACOL, I was free of heartburn and also of the heavy tired feeling I had been experiencing."

Mr. Clifton Crum, 511 West Commerce Street, Greenville, Alabama. "I am taking my third bottle of HADACOL and it has done more for me than any other medicine. I was awfully weak and nervous and run-down. I would have weak nervous spells and I had no appetite for food. So I heard different people praising HADACOL over the radio. My wife wanted me to give it a trial and I sure am glad I did. My back would hurt me so with neuritis pains till I couldn't sleep at night, but that is all in the past. My backache is gone now and I am feeling good so I am going to continue taking HADACOL. I am 35 years old, employed by Greenville Ice and Coal Co., Greenville, Ala. I hope everybody that needs medicine will try HADACOL. I just can't praise it enough as it seems to be just the medicine I need."

Mr. Aldora Kramer of Marrero, Louisiana. "I want you to know how your wonderful HADACOL helped me. I suffered so from neuritis pains and aches, I hurt so, and I could hardly use my right hand. I even had my teeth out but got no help. I started to get HADACOL. Now I sing while I plow my fields. I'm so happy. I'll never be without HADACOL. I take it every day." (That's the spirit— isn't it great to have that wonderful HADACOL feeling? Why don't you try it?)

Mr. John Krumpelman, 127 Warren St., Lexington, Kentucky. "Four months ago I was suffering from lack of energy, got up and go at all. I also had a lack of appetite and great irritability. Then my friends recommended HADACOL, and in a very short time my appetite began to go back to normal and it seemed as though a miracle had happened because everything was once again very bright."

Mrs. Tom Kennedy, 1302 Rector Street, Hot Springs, Arkansas. "My trouble was terrible pains right after I ate my meals. I have tried pills but they didn't do any good, so I thought I would try HADACOL. After the first bottle of HADACOL, I got relief, so I wouldn't be without HADACOL. I have already told all my neighbors about HADACOL, how good it is. They are also taking it. I am 48 years old and I sure can't feel a lot better, thanks to HADACOL." (What a wise woman Mrs. Kennedy is. She realizes continued use of HADACOL helps prevent such stomach misery from returning.)

Beatrice Starks of 303 Millard Street, Honora Park, South Carolina. "I just had to write you a few words to try to tell you how much HADACOL has helped me. I had an operation in February. Then I started washing too soon, took neuritis in my hands and arms and after that couldn't do anything. I heard about HADACOL, decided to try it and I'm sure glad I did. My indigestion was so bad I couldn't eat anything I liked but now I can eat what I want. My hands don't hurt or my hips as they did before I started using HADACOL. Please keep hollerin' it out so others will hear about it!"

**Textile Men Form Mobilization Group**

The nation's cotton textile industry last week set up a committee to see that American armed forces get textiles as soon as they need it, if not sooner. The mobilization committee would "clear the way for a speedy, orderly, and efficient adjustment of the operations of the... industry in the emergency conditions resulting from the Korean conflict and the expansion of the nation's defense program." Charles A. Cannon of Kannapolis is chairman.

**Bright Leaf Outlook Not Too Bright**

The State-Federal Crop Reporting Service estimates a shorter flue-cured tobacco crop on North Carolina this year. Based on August 1 crop conditions the estimate placed the 1950 crop at 767,960,000 pounds—about 13,500,000 under the July 1 estimate.
