Scene From Cove Creek Gap Is Impressive

People rate the view from Cove Creek Gap — Highway No. 234 — as among the best views in the area. This picture was made in the gap looking towards Waynesville. The hillside pastures are the result of a long-range farming program inaugurated here in Haywood.

TOO HARD TO COUNT

SAN FRANCISCO (UP)—At the request of Rep. Frank R. Havenner, the federal census was extended beyond the normal closing date of May 20. Havenner asked for the extension after city officials informed him that many San Franciscans had not been counted.

CIGAR HAS TEETH, MAYBE
ST. LOUIS (UP)—Carl Simon is looking for a cigar with two front teeth. He thinks the false molars may have been imbedded in the half-smoked stogie which he tossed out of his automobile window while driving home from work.

Viet Nam contains about half the area of Indochina.

SALLY'S SALLIES

"George insists we'll have to provide a new crop of pinup girls, cold war or hot."

"His Majesty"

The royal title, "His Majesty" was first given to Henry VIII because of his magnificent silk wardrobe. Yet with all his finery, Henry so treasured his single pair of silk hose, he modestly reserved them for great state occasions. Incidentally, the first woman to own a pair of silk stockings was his daughter, Queen Elizabeth.

Keep Wool Clean

Clean wool brings the highest price on the market. W. B. Connell, extension livestock specialist of the Pennsylvania State College, urges shepherds to shear on a clean, dry surface and to keep all trash out of the fleeces. Shear only when the wool is dry and tie the fleeces with paper twine.

RECRUIT THEMSELVES

HUNTINGTON, W. Va. (UP)—Recruiting Sergeants Richard Vaughn, Archie Denny and Robert Snider left here for an 800-mile round trip to a Baltimore recruiting station. Their object was to recruit.

WALLPAPER STICKS IT OUT

WALPOLE, N. H. (UP)—Adorning the walls of the 138-year-old Knapp House here is some perfectly preserved French wallpaper printed in 1815.

A world record is believed to have been made on British railways when 98.31 per cent of 608,140 passenger trains arrived within five minutes of their schedules.

Safe Bedroom

For safety be sure the bedroom is arranged to allow a clear passage-way to doors. See that electric fixtures give clear, well-diffused light throughout the room, with three-way switches at doors and within easy reach of the bed.

Production of flaxseed as a source of linseed oil for paints advanced sharply in the United States during the war years, when the ship shortage cut imports from Argentina, Minnesota and the Dakotas now produce about four-fifths of the crop.

The National Geographic Society says 22,000,000 of Indochina's 27,000,000 population live in Viet Nam.

Stock Loan
Agency Recommended
Ernest Scott and other state farmers this week received a recommendation that a loan agency be established to make funds available to farmers wanting to develop livestock enterprises. The plan was approved by other farm leaders and other farm leaders who encourage the idea but with no commitments.

District Head Of Rotary Will Be Here On Friday

The Rotary Club of Waynesville tomorrow will be host to Dr. Walter T. Nau, Governor of the 280th District of Rotary International, who is making his annual official visit to each of the 35 Rotary Clubs in Western North Carolina. He will confer with President Richard Barber, Secretary William S. Ray and other local Rotary officers on Club administration and Rotary service activities.

Dr. Nau is Professor of Modern Languages at Lenoir Rhyne college in Hickory and is a member of the Rotary Club of Hickory. He is one of the 201 Rotary District Governors who are supervising the activities of some 7,100 Rotary Clubs which have a membership of 350,000 business and professional executives in 83 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club of Waynesville because they are based on the same objectives — developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide serv-

Dog Follows Master

A little brown and white spotted dog in Randolph County follows his master everywhere. He even followed him to jail this week. The master, arrested for public drunkenness in Randleman, was taken to Asheboro, six miles away, and the dog was left in Randleman. But a few hours later, the pooch slipped into the jail, sniffed out his master's cell, scratched on the bars till the jailer let him in. There he stayed until he went home with his master a day and a night later.

Sources of Iodine

About one-half of the 1,500,000 pounds of iodine used annually in the United States comes from the brine extracted from oil wells. The balance comes from Chilean salt-peter and Japanese seaweed.

ice organization continues to grow in numbers and in strength. During the last fiscal year, for example, 293 new Rotary Clubs were organized in 36 countries of North, South and Central America, Europe, Asia, Africa, and the Islands of the Pacific.

A Personal Message From The Management

In the 18 years that we have been in Waynesville we have never experienced a more pleasant and enjoyable season . . . it is gratifying to know that we have so many friends in this community.

Even now, as we close our doors for 1950, we are looking forward to next year, when we will return to renew old acquaintances and make new friends.

To all of you, from all of us, we extend our kindest personal regards and wish for you a pleasant and prosperous New Year.
