### Farm Bureau Membership Drive Opens

The North Carolina Farm Bureau's annual state-wide membership campaign, which opened recently with a quota of 80,000, is important to every farm family in the state." O. L. Yates of Iron Duff, Haywood county FB President, declared today.

"Farm Bureau represents a membership of more than 1,409,000 farm families in the United States and Puerto Rico-and over 76,000 of those families are in North Carolina," the county leader pointed out. "An organization that is able to represent so many farmers and their families and do it so well is deserving of the support of everyone who makes his living on the

"Farm Bureau was organized to form the missing link between the farmers and existing agencies working on agricultural problems. Farm Bureau has made it possible for farm people to be recognized as a leading force in shaping policies affecting agriculture."

The county's 4-H Clubs are heading the campaign to raise the Haywood Farm Bureau membership from its current 500 to 1,000.

Mr. Yates is supervising the drive as general chairman and Federation president,
