

WTHS Scores Double Win Over Crabtree Cage Teams

Waynesville High School cagers—both lady and gentleman—kept their early-season records clean Tuesday night by defeating the Crabtree squads at the Crabtree gym.

The Waynesville girls face one of their stiffest tests of the campaign Friday night.

They'll tangle with the undefeated Fines Creek girls at the Waynesville gym.

The Waynesville boys face a fight, too, but their task isn't quite as difficult.

The Waynesville girls took an early lead and led the Crabtree sextet all the way in chalking up a 39-26 verdict Tuesday night.

The boys, however, had a much rougher evening, finally emerging from a see-saw battle, 58-45.

The results made it two straight for both Waynesville teams.

Crabtree's M. L. Beasley hit the hoop for 21 points and high-scoring honors.

Waynesville's Bobby Kuykendall connected for 17 to lead the winners.

Superior balance in the attack spelled the difference between the two quintets.

Tommy Boyd, Bill Sutton, and Ralph Jenkins each hit the hoop for ten points or better, to go with Kuykendall's eight field goals and a free throw that was good.

Crabtree held a 9-6 lead at the end of the first period.

But the Mountaineers gathered steam as they went along to eliminate the early deficit.

Forward Marjorie Cogdill, racking up 21 points, led the Waynesville girls to their verdict.

Miss Smith's nine points topped the individual efforts for Crabtree.

The Waynesville girls took a 12-6 lead in the first frame, stretched it to 26-16 by half time, then beat off a Crabtree rally to sew it up.

Coaches C. E. Weatherby and Margaret Perry used 16 performers in this outing.
