

### CDP Leaders Hold Christmas Party Wednesday Night

Haywood County's Community Development Program and community officials mixed business with pleasure last night at a Christmas Party.

Mrs. C. O. Newell of Crabtree, the Program's county chairman, presided over the affair at the Home Demonstration Club kitchen of the Haywood County Farmers' Cooperative Exchange.

The Rev. Broadus Wall, pastor of the First Baptist Church of Waynesville, in the evening's feature address, told the audience of the need for national unity and understanding now.

The Rev. Jack Huneycutt, Waynesville district superintendent of the Methodist Church, gave the invocation.

During the business session, the officers discussed a variety of plans for the new year.

They discussed the proposed series of family life meetings which will be held in the various communities next month.

Corinne Grimsley, N. C. State College Extension specialist, will conduct the illustrated lectures, as she did at about the same time last year.

The officials also decided that the Community Development Program score cards should be filed by the individual communities for the final judging in the county-wide 1950 Program contest in January.

State College specialists already have made the first of the community surveys which will help determine the top three communities in the second annual contest.

The Program officials also underscored the importance of each community obtaining TVA phosphate and of the farmers filing their requisitions as soon as possible.

Ways and means of conducting the agricultural programs outlined by the different commissions for the new year also received a going-over.

The possibility of the various communities obtaining group health insurance also was discussed.

Wives or husbands of the community and county officials attended the session as guests.

Also among those present were the three members of the Board of Haywood County Commissioners: Board Chairman C. C. Francis, Jarvis Allison, and Frank M. Davis.

### FRESH U.S. TROOPS FOR BERLIN

ARRIVING IN THE U. S. SECTOR of Berlin, American troop reinforcements are transferred to Army trucks at the Lichterfelde Station. Members of the headquarters company of the newly-formed 6th Infantry Regiment, they are among the first group to reach Germany under the new plan for strengthening American forces in this danger zone. (International)

### CAUGHT IN CALIFORNIA FLOODS

DRIVEN FROM HER HOME near Sacramento, Calif., when rampaging flood waters reached the 6-foot level, Mrs. M. E. Jones is helped from a boat by Neil Snyder (left) and James Dittus. Thousands fled as California's Central Valley streams and rivers ran rampant. (International)

### MORE ABOUT Legion

(Continued from Page 1)

Brown will bring the children to town, and the Legion committee will take them shopping.

He said the Legion also had in mind for relief aid needy families in the Waynesville area. These families are to be designated by the Salvation Army officer.

Post Commander Milas Ferguson, appealing on behalf of the organization for clothing for other needy persons, announced that the donors may bring the articles directly to the Legion headquarters in the Citizen Bank Building.

If they cannot deliver them personally, he added, they may phone the Legion, 1248.

Legionnaires will pick up the donations at the contributor's home.

Working on the committee with Mr. Edwards are J. B. Siler and Clayton Walker.

### GOVERNOR'S PARTY MUFFS KNOW-YOUR-STATE DRIVE

FULTON, Ky. — Gov. Earle C. Clements and other state officials and chamber of commerce leaders joined here in urging that Kentuckians visit their state parks and "know your Kentucky."

Then the tour started for Columbus-Belmont state park but took the road to Memphis instead.

The governor's party showed up late for the park appearance, after discovering their mistake.

### CONFER WITH PRESIDENT ON KOREA

AFTER ANOTHER top-level conference with President Truman critical situation in Korea and the Far East, these Congressional leaders leave the White House. They are (l. to r.): House Majority Leader McCormack, Massachusetts; Speaker of the House Sam Rayburn, and Senate Majority Leader Scott Lucas, Illinois. (International)

## Outlook For Getting X-Ray Machine For County Bright

### MORE ABOUT Drivers' Licenses

test.

Those who failed were given another opportunity to stand their examination at a later date.

Examiner Hooper said that 95 failures out of 346 was considered "average".

### Thief Grabs Good Hens, Leave Culls Instead

MARIETTA, O. — Robert R. Glass, associate county farm agent, got the worst of it in a 60-chicken swap.

A thief took prize New Hampshire reds from his chicken range, leaving culls and otherwise worthless chickens.

"What I can't understand," he said, "is why anyone who steals my good chickens takes the trouble to bring me any chickens in exchange."

There are 82 affiliated United Nations Educational, Scientific and Cultural Organizations and 30 student and youth UNESCO clubs in Japan.

Haywood County's chances of getting an X-ray machine to fight the war on tuberculosis are looking pretty bright these days.

TB Campaign Treasurer A. J. Fancher, reported this morning that the 1950 seal sales have been "pretty good so far."

The exact total that folks have contributed since the drive opened November 21 wasn't available.

But Mr. Fancher indicated that the drive was running ahead of the progressive to date at the same time last year.

He said people have been sending in donations ranging from about a dollar to \$25.

Two donors sent in \$25 each.

The greater percentage of the donations ranged around \$2.

The campaign has to obtain \$1,000 before the county can obtain the X-ray machine.

That is what it takes to maintain, operate, and buy supplies for the machine over the course of one year.

Or have you already been "swamped" by holiday activities and misplaced those lovely little stamps—the purchase of which may mean health, or perhaps life itself to some tuberculosis sufferer.

If you have mislaid them—won't you look? DO YOUR BIT in this worthwhile project.

If you have already sent in your contribution you can still help by USING THE STAMPS on the mail you send out. These ray little stamps catch the eye and advertise the fact that your local TB Christmas Seal Committee is "ON THE JOB" and that you, too, are DOING YOUR BIT to help eradicate this No. 1 Killer.

Figures Behind the Facts

Tuberculosis is the most formidable disease caused by a germ because:

It is the most death-dealing of all infectious diseases.

It takes more than 40,000 lives a year in the United States.

It is killing at the rate of one person every 13 minutes.

It leads all diseases as a cause of death in the age group from 15 to 35. In 1947 it killed 13,029 persons in this age group. Heart diseases killed 6,928, and cancer, 5,052.

A. J. Fancher, Treasurer, reports that so far responses are good and many are doubling their donations of last year—but to "GO OVER THE TOP" your CONTRIBUTION is needed.

Don't delay, send it today.

### Trap Clamps Down

JACKSONVILLE, Fla. — A Daytona Beach mailman pleaded guilty in federal court here of failing to deliver letters containing money.

He was trapped when post office inspectors, after receiving complaints, prepared two test letters with money enclosed. Neither was delivered.
