

Men Of Allens Creek Out To Prove They Are Among 'Best Of Cooks'

Crabtree News Items

MRS. MONROE NOLAND
(Mountaineer Correspondent)

Mrs. Frank Brown was elected president at last Saturday's meeting of the Crabtree W.M.U. Other officers are Mrs. Vinson Davis, vice president; and Mrs. Monroe Noland, program leader and reporter.

The meeting was held at the home of Mrs. Lawrence Brown, with the Rev. M. H. Babby the principal speaker. The ten members and two visitors present were Mrs. Lawrence Brown, Miss Manila Brown, Mrs. Frank Brown, Mrs. Bertha Davis, Mrs. Furman Noland, Miss Cora Higgs, Mrs. Winnie Wells, the Rev. and Mrs. M. H. Babby, Mrs. Susie Medford, Mrs. Vinson Davis, and Mrs. Monroe Noland.

An all-day meeting at the church is scheduled for March 3, beginning at 10 o'clock.

The G. A. Girls also met last Saturday at the home of Mr. and Mrs. Zimney Hoglan. Those present for the program included R. A. Gillett, Ruth Gillett, Betty Jo Allen, Bobby Jo Parks, Geraldine Hoglan, Kathleen Hoglan, Elaine Walker, Annis Noland, Hilda Hoglan, Roger Hoglan, and Mrs. Hoglan, the hostess.

The next meeting will be held at the home of Miss Josephine Presnell on March 17 at 2:30 p.m.

Miss Roxie Presnell, sister of Mrs. Hugh Walker, will be married Wednesday at 4:30 to Mr. Raymond Beck of New Jersey. The ceremony will be performed at the home of Mr. and Mrs. Walker.

Mr. and Mrs. Hobart Presnell have as guests two daughters and their families. They are Mrs. Sigbey Green, now living in New Jersey, and Mr. and Mrs. Ben Crenshaw of Baltimore, Md. Mr. Presnell is now improving after a serious illness.

Mrs. Jack Messer and son Charles have moved to the Maples for the rest of the winter. Miss Jackie Sue Messer has returned to her classes at Agnes Scott College, Atlanta, Ga., after spending a few days with her parents.

The Rev. M. H. Babby, pastor of the Crabtree Baptist Church, is holding a Bible study course at the church every Wednesday at 7:20 p.m.

Crabtree farmers have been working very hard on tobacco beds for the past week and hope to be successful in getting a good stand of plants.

Those modest men up Allens Creek way are all set to show up the women this Saturday night, when they'll be cooks, waiters, and dishwashers (that's right, cooks, waiters, and dishwashers) at a supper for the benefit of their Community Development Program. Their ambitious menu includes baked ham with gravy, mashed potatoes (now there's where a strong right arm comes in handy), green beans, deviled eggs, "crackling" cornbread, baked apple with ice cream, and coffee, plus things they don't have to cook like celery, tomatoes, and dill pickles.

Trouble is, they're too shy—or maybe they're too smart—to admit who's back of it all. Mrs. Bill Hembrece, Mountaineer reporter, got it from that much-quoted "unimpeachable source" that MISTER Bill Hembrece is chairman of the committee. All the rest of the men in the Program are members of that committee, but do you think any one of them is going to give his wife a chance to say, "You made such wonderful deviled eggs for the supper—why don't you make enough for the children's lunch boxes tomorrow?"

So all we know is that this is one dinner where the ladies can sit around until they're ready to holler, "what's keeping dinner so long?" Then after they've finished that last leisurely cup of coffee, they can stroll around and chat while the menfolk get up to the elbows in hot washwater.

Of course this doesn't apply to any men except those nameless figures at Allens Creek. Visiting men can join the ladies, unless they're tempted to offer a little advice to their overworked brothers in the kitchen. The Allens Creek people are hoping that plenty of their friends from around the county will come for a good meal, with the kind of service they never expected to get.

So if you want to find out for yourself just how well men can cook, and check up on whether they're actually going to do all the work by themselves, just be at the Allens Creek School next Saturday evening at 7 o'clock.

Frozen Peas Are Favorites

WASHINGTON, D. C. — (AP)—Green peas are by far the most important single frozen vegetable, according to the U. S. Department of Agriculture. The 1950 frozen green pea pack set a new record of more than 154,000,000 pounds, the department says.

The Bureau of Agricultural Economics notes that consumption of frozen peas in recent years has out into the demand for fresh peas, particularly during the winter harvest season in southern truck areas.
