

Announce Market For Grade C Milk

Farmers in the Pigeon River area who have surplus milk are advised that they may find a market for it as Grade C milk at the Coble milk plant at Murphy.

The price on Grade C is \$3.10 a hundred for 4 per cent milk, with 5 cents per point butterfat above 4 per cent.

"Bleached Blondes" Popular

There is a great demand these days for furniture with "bleached," "blonde" or "pickled" finishes. Bleached woods are especially popular in contemporary homes.

Summer Casserole Cookery

By CECILY BROWNSTONE Associated Press Food Editor

Here's a casserole that's he-man's fare. It's a hearty combination of chicken and tongue with a sauce made zesty with instant chicken bouillon cubes. These cubes are convenient to use when you need a chicken stock to enhance a main dish, a soup, or a sauce for vegetables.

CHICKEN AND TONGUE CASSEROLE

Ingredients: 1/3 cup butter or margarine, 1/3 cup flour, 3/4 teaspoon pepper, 5 instant chicken bouillon cubes, 2 cups water, 1 cup light cream, 2 cups diced cooked or canned chicken, 2 cups diced celery, 1 can sliced beef tongue, 3 cups hot mashed potatoes, melted butter or margarine.

Method: Melt butter or margarine in top of double boiler; blend in flour and pepper. Add chicken bouillon cubes; crush; blend in. Add water and light cream; stir over low heat until smooth and thickened. Add chicken and celery. Cover; cook over hot water 10 minutes. In a casserole arrange sliced tongue and chicken mixture in alternate layers, beginning and ending with tongue. Top with circles of mashed potatoes. Brush potatoes with melted butter or margarine. Bake in moderate (375° F.) oven 15 minutes or until potatoes are browned. Makes 6 servings.

Another way to use chicken bouillon cubes is in a vegetable aspic for a summer lunch. It's delicious served with a platter of cold meat and some crisp greens. Let dessert be a berry cobbler and you're all set for "just the family" or for company.

VEGETABLE ASPIC SALAD

Ingredients: 1 envelope unflavored gelatin, 3/4 cup cold water, 2 instant chicken bouillon cubes, 1 cup boiling water, 3 tablespoons sugar, 1/4 cup lemon juice, 1 tablespoon grated onion, 1 package quick-frozen mixed vegetables (cooked and chilled), water cress, French dressing.

Method: Sprinkle gelatin on cold water. Dissolve chicken bouillon cubes in boiling water; add to gelatin with sugar; stir until gelatin and sugar dissolve. Add lemon juice; chill until consistency of unbeaten egg white. Fold in onion and cooked mixed vegetables. Spoon in individual molds; chill until set. Serve on water cress with French dressing. Makes 6 servings.

Stored Grass An extra pint of milk with each gallon is about what dairymen can expect from storing grass in the silo instead of field-curing it as hay.
