

**Plummons Named
Creek High
Principal**

W. Plummons of Luck, Waynesville, has been named principal of Fines Creek High School for the current school year.

Plummons finished his primary and secondary education at Fines Creek High School. After graduation from the school, he worked for the Federal Reserve as Assistant of their Murphy store. During World War II he served in the Army Air Force as a pilot and was discharged after three years of service.

Plummons has teaching experience and varied education. He was in the Air Force here at Brykline College. He earned a Bachelor of Education degree from the University of North Carolina Teachers College in 1946. He has taught at Fines Creek High School and Fines Creek High School. He enrolled in the University of Miami, and his Bachelor of Education degree was received in February of this year.

Completion of his work at the University of Miami, Mr. Plummons will receive the degree of Bachelor of Education from the University of Miami to work toward the degree with a major in Administration and Super-

ATTEND FUNERAL OF KING ABDULLAH OF JORDAN

AT A CEMETERY IN AMMAN, JORDAN, prayers are offered before burial of the assassinated King Abdullah of Jordan. Standing behind the flag-draped coffin of the Arab leader are (1) Prince Hussein, son of Prince Talal; (2) Prince Naif, who was chosen by the Jordan Cabinet to succeed the late King, and (3) Prince Abdullah, Iraq Regent. The appointment of Prince Naif infuriated his brother, Prince Talal. (International)

**East Haywood Singing
Features Homecoming Day
At Beaverdam Methodist**

MRS. GEORGE F. WORLEY
Mountaineer Reporter

The East Haywood Singing Convention was a feature of the Decoration and Homecoming Day services at Beaverdam Methodist Church Sunday. A number of visiting groups participated in the program. Yoder Clark, chairman, presided, assisted by Ed Bradburn, Ray Pless and Miss Maxine Clark.

The services proved to be among the best attended that the church has ever had. More people were present and more dinner was served than ever before. The people from Long's Branch Church and the Beaverdam Baptist Church cooperated in making the day enjoyable for all.

The grounds had been mowed with the power mowers owned by the community churches and cemeteries.

The memorial windows have been installed in the new church, and it is hoped that the auditorium will soon be ready for services.

The Rev. Coleman Brown, new pastor of the Beaverdam Baptist

Bat and Mike

From this Mama bat's expression, there are more pleasant things to do than speaking into a mike. Or perhaps she and her infant, at her left side, are voicing their opinions concerning current bat politics. The secret of the bat's ability to fly in the dark is an important sequence in "Dust or Destiny," the latest Moody Institute of Science film, to be shown at the Waynesville Presbyterian Church, Sunday at 7:30 p.m.

Asheville, where Mr. Sorrells will be employed as a bus driver.

Ray Wilson is ill at the home of his wife's parents, Mr. and Mrs. J. J. Ivester.

A daughter, Ellie Layonng, was born to Mr. and Mrs. Weaver Worley at the Haywood County Hospital. Mr. Worley is the son of Mr. and Mrs. I. A. Worley.

Kate Worley, who has been spending some time with her sister, Mrs. Wayne Hyde in Dutch Cove, has returned home.

Repair Bridge Table
Is the old bridge table sagging? Cut a panel of plywood to size, sand down all the rough edges and nail it to the top of the bridge table. Stain it as desired and then apply, when wood is dry, two or more thin coats of fresh white shellac for a smooth and easily cleaned surface.

Unfound Vitamins
Nutrition scientists predict many more vitamins will be discovered in our daily protein foods such as milk, liver, and eggs. This gives us an added incentive to include these in our daily diets.

When even the old standby, hamburger, meets with an indifferent reception, try Pickleburgers and see them disappear. Especially fine picnic stuff, too!

For 6 servings, combine 1 1/2 lbs. ground beef, seasoning to suit, 1/4 c. sweet pickle relish, 3 tbsps. prepared mustard and 1/4 c. diced onion. Mix lightly; shape into 12 patties. Pan-fry in small amount of fat or grill over open fire until of desired degree of doneness. Serve on toasted hamburger rolls with additional pickle relish.

Dill Pickle
For a variation of the sausage and pickle idea, hollow out the center of a dill pickle. Broil small cocktail wieners, and stuff the pickle with the grilled wienie. Serve sliced. A good appetizer, too!

Dagwood Specials there are without number, we're sure, so here is our contribution, offered with pride! Split 12 frankfurters lengthwise, but do not cut all the way through. Cut sharp cheddar

cheese in wedges, smear with mustard and insert in frankfurters; fill remaining opening with sweet pickle relish. Wrap each frank in a slice of bacon, and fasten with toothpicks. Broil 7-10 min. or until bacon is crisp and cheese melted. Serve in toasted frankfurter rolls.

Potato Salad
For further proof that pickles and picnics go together, not forgetting potato salad, too, try this version: Cook 7 medium-sized potatoes in boiling, salted water and when done, cool, peel and cube. Add 1/2 c. diced celery, 2 tbsps. finely diced onion, 2 diced hard-boiled eggs, and season to taste. Mix thoroughly 1/2 c. mayonnaise, 1/2 c. finely chopped sweet pickles and 1/4 c. liquid from sweet pickle jar. Combine potatoes and mayonnaise mixture, mixing gently.

For variations, diced left-over meat may be added, and any small amounts of left-over vegetables such as peas, carrots, string beans, etc., may also be added to this recipe, which is for 6 servings.

Also good picnic or appetizer fare is this tangy egg tidbit. Hard cook eggs. Remove from shell and slice in halves. Remove yolk and mix with mayonnaise and pickle relish. Stuff the whites, and serve in wedge portions.

**Local Man Takes
Part In Tour
Of Allied Mills**

H. M. Dulin took part recently in a tour of the Allied Mills Research Farm at Liberty, Ill. The first half of the tour included stops at the dog and animal laboratory section, the feed mill where test feed formulas are prepared, and the dairy barn where two new glass-lined silos were shown.

The second half of the tour took the group to the hog and beef cattle projects. Results of experiments in broiler feeding were observed, as well as tall currier feeding programs for hogs.
