## Four More CDP Teams Eliminated

The first games of the second round of the CDP Softball Tournament at Champion Park in Canton were played Thursday night. After a long weekend rest, the second round will continue this evening. In the girls' division Thursday, Francis Cove defeated West Pigeon by a score of 18 to 16. Hominy eliminated Beaverdam by a 5 to 4 score. The boys' games were more one-sided. Center Pigeon outscored Beaverdam 11 to 5, and West Pigeon had trouble in keeping the score as they trounced White Oak 19 to 3. Tonight's games include the girls of Cruso vs the ladies from Morning Star at eight; the Thickety girls against East Pigeon damsels at six. Thickety boys hit against Saubook tonight at seven, and Iron Duff tries to dim the glory of Morning Star at nine. Twenty teams have been eliminated from the tourney as of this morning. Eleven remain. Games are scheduled for tomorrow and Wednesday. The queen of the Community Development softball tournament will be crowned Wednesday night, "if it doesn't rain," according to tournament officials. Although entries are still to be received from several teams, more than a dozen girls have been nominated for the contest. Nominations are open only to members of the teams that took part in the ball contest, and the contestants have been named by their own teammates. Those who will compete for the crown and the communities they represent are Hettie Franklin, Francis Cove; Lyda West, Center Pigeon; Mary Sue Sparks, Saubook; Jean Surret, Beaverdam; Mary Sue Justice, Upper Crabtree; Shirley Jones, Hominy; Jewel Evans, Cruso; Shirley Berry, Allens Creek; Judy Ensley, Morning Star; Alpha Williams, White Oak; Mary Young, Thickety; Pauline Bishop, Crabtree; and Polly McElroy, Iron Duff.

## Sylva Gets The Right Man But Not Soon Enough

After the first score a few seconds passed, another Sylva fumble, and another Mountaineer touch-down. Here J. C. DeWeese reverses roles with Ross to make the score, after which Ross ran over to make it 14 to 0. The uniforms are still comparatively clean for the game is less than five minutes old. (Staff Photo)

## ns Hear Taylor

Taylor, District Governor Lions International was the speaker at the local club last night. His theme was "The principals that the nation stood for." Taylor said the purpose of the Lions Club was to promote relations between people of different nations, together with their project of helping the blind. Part of the different competition on the donation of blood to the mobile on September 14th Court House, were heard. The Lions Club is planning to have all records of donations of blood at this time. The stockpile of blood is very low in this country. The fighting forces are to be supplied with plasma, the local residents are going to have to do their part. Reports are that the situation is a critical stage and more blood is needed. The Lions Club is expected to examine all applicants they are called upon to a pint of blood.

## Famous Lenoir Band To Perform Here Friday

When Waynesville meets Lenoir in football here Friday night, the half-time will be filled to performances of the Waynesville and Lenoir bands—two of the three bands in the state that for the past two years have tied for first place in state contests. The Lenoir band will be under the direction of Captain James C. Harper, and the Waynesville 90-piece band under the direction of Charles Leley. A record attendance is expected as the two teams meet, and the two bands perform.

## South Clyde Meeting Chooses Pilot Farms

MRS. MAUDE OSBORNE, Mountaineer Reporter Pilot Farms were chosen at the regular meeting of the South Clyde Community Development Program last week. Selected were the farms of Sam Jackson, P. C. Mann and Lloyd Justice. William Osborne, chairman, presided over the business meeting. Mrs. Curtis Rogers gave the devotional and led in prayer.

## NCEA Local Unit To Meet Tuesday

The first county-wide meeting of the Haywood County unit of the North Carolina Education Association is set for Tuesday afternoon. The meeting will be held at the Central Elementary School in Waynesville, beginning at 2 o'clock. On the agenda will be a discussion of fields of work for the coming year, as well as qualifications of possible nominees for officers of the Western district. The deadline for nomination of district officers is September 21, according to E. J. Evans, local council president.

## Old Age Grants Subject To Lien, Mrs. Queen Says

Persons receiving old age assistance from the county Welfare Board were reminded today by Mrs. Sam L. Queen, welfare superintendent, that any money received after October 1 may have to be repaid from their estates after their death. This is in accordance to the property lien law passed by the 1951 General Assembly, which states: "if an Old Age Assistance recipient accepts the October check, a lien on the property they now own or may acquire in the future is automatically filed in the office of the Clerk of the Superior Court; and the county will collect from the person's estate after his death the total amount of assistance paid such person from and after October 1, 1951." Mrs. Queen stated that out of the 981 persons receiving such grants on September 1, a total of 90 have asked that their grants be terminated. U. S. Army records show that one third of its officers and enlisted men are married and that the typical Army family has one child.

## MORE ABOUT Rogers

(Continued from page one) was Senator O'Connor of Maryland. He was introduced by N. C. Senator Willis Smith. Among others present was William B. Umstead, the only announced candidate for governor. He was recognized and given a standing ovation. In his remarks, Senator O'Connor paid tribute to Umstead and expressed the hope that the state would "make proper use" of him. The Young Democrats went on record as approving the work of Secretary of State, Dean Acheson, who has been under bitter attack by Republican leaders. The work of Acheson at the recent San Francisco peace conference was particularly praised. The resolution was adopted without a single dissenting vote. A code of ethics for political campaigns was agreed upon at the convention. The code, among other things, prohibits the use of gossip, slander, appeals to race prejudice, and the buying of votes. Richard Queen, Glenn Brown, and Jerry Rogers attended the convention from Waynesville. Mr. Brown is president of the local YDC club.

## Arthur Grimball Dies In Charleston

Word has been received of the death of Arthur Grimball of Charleston, S. C., on August 30. Mr. Grimball was the brother of Judge William H. Grimball of Waynesville. He himself has spent many summers here at the family home on Grimball Drive. Mr. Grimball is survived by his wife, the former Miss Jose Coffin, and three daughters, Misses Haskell and Georgianna Grimball of Charleston and Mrs. John Greeley of Washington.

(Continued from page 1) Park road from Heintooga Ridge. Although six new Parkway miles are ready, traffic will be stopped at Mile-High Overlook, four miles in from Soco Gap, pending completion of the connecting road into the Park. Acting Supt. Robert P. White of the Great Smoky Park expects the link road from Black Camp Gap to Heintooga Ridge to be ready about November 1. He said, however, that because of work that will have to be done by park forces after the contractor moves out and because it will be near the end of the travel season, opening of the Heintooga road will be delayed until next spring. Weems said that when autumn color is over, the new Parkway link will be closed for the winter, but next spring visitors will be able to travel the 12-mile route from Soco Gap to Heintooga Ridge.

## He gets a picture of the weather by Long Distance

Tomorrow's weather is on the wires today for the forces which guard this Nation's skies and shores. Today the largest Long Distance network of its kind brings them detailed "isobar" weather charts around the clock. These charts are sent by a system known as "facsimile" from the Weather Analysis Center in Washington, D. C. There, an electric eye scans the weather "picture" as it turns on a special drum. The signal waves produced go out over thousands of miles of wire to military installations throughout the country where the picture is automatically reproduced. This weather network was designed and completed in less than two years. It's another demonstration of the importance of Long Distance lines to the security of the Nation—especially right now, when there may be stormy weather ahead.

### Who ASKED you?

Who asked you to pay for electricity used by people you never even heard of, a hundred or a thousand miles away?

Nobody! But you do help pay the bills for hundreds of thousands of favored people and hundreds of privileged businesses using electricity from certain federal power systems. Your taxes helped build those systems. Your taxes are used to subsidize service to their customers.

Who asked you to foot the bill so that this country could have socialized electricity?

Nobody! Yet, there are 72 federally owned power systems already in operation, under construction, or authorized at a total cost of over 10 billion dollars—and hundreds more are planned at a total cost of about 60 billion dollars. That's your money that's financing socialism!

Who asked you for permission to keep on building expensive socialistic power systems when every tax dollar and every pound of critical material is needed for defense?

Nobody! But the backers of socialized power are planning to use more of your tax money to build costly electric lines that actually duplicate facilities of business-managed companies! Why? To put the government further into useless and killing competition with business-managed companies.

Who asked you whether you have enough electric power or not?

Nobody! The "planners" who favor socialized electricity speak vaguely of a "power shortage." Yet, the business-managed companies have more than doubled this nation's power supply since Pearl Harbor. And they've got a lot more coming!
