

We Extend a Hearty
WELCOME
To The

KIWANIS
CLUB of WAYNESVILLE

Our newest civic organization, Kiwanis International, was formed here October 23rd., 1951, with 38 charter members, representing almost as many business firms and professions.

We are indeed happy to be among the first to welcome this new club to Waynesville and to congratulate the officers, directors and members of the organization.

There are many worthy projects in our community which need and deserve the support of our various civic groups and we look forward to working with you on whatever programs you may adopt for the betterment of our city.
